

SAYS RESEARCH IS ONLY HOPE IN BATTLE TO STOP CANCER

(See Picture on Page 3)

"Help research," Dr. Stanley Philip Reimann, cancer research worker from Lankenau Hospital in Philadelphia, told an audience of 150 Monday evening at the Gettysburg High School at the annual dinner meeting of the Adams County Cancer Society that launched its annual campaign for \$10,000.

The members of nine county service clubs and invited guests heard Dr. Reimann declare: "There's only one way to take out insurance against cancer, or heart disease or any of the other leading killers today and that is to help finance research to lick those diseases."

Dr. Reimann, who has devoted most of his professional life to pathological research, was introduced by Dr. Bruce N. Wolff, a director of the county cancer society. Sterling Muselman, president of the county organization, presided at the meeting and presented a service pin to Mrs. Henrietta Blocher, executive director of the county organization.

Tribute To Researchers

Mrs. Blocher was recognized for her services to the county society since its organization 11 years ago. Pamphlets describing the program of education, service and research carried on by the county society were distributed at the dinner tables.

Directors and officers of the county society were introduced as was Mrs. Richard C. Lighter, office secretary. M. Francis Coulson, who is co-chairman of the current crusade for \$10,000, with Robert McCoy, spoke briefly as did William Shoemaker, industrial chairman for the drive. Mr. McCoy was absent.

In his introduction of the speaker, Dr. Wolff paid tribute to research workers as "the unsung heroes of many endeavors." He cited the debt the medical world owes to research and said researchers are "the footers of the building, they are the people who stay at home"

RURAL CHURCH PROBLEMS ARE TOPIC MONDAY

Lessons in centralization and unification can be learned by rural churches from trends in school district organization, the Rev. Joseph Grottenhaler, director of town and country church work for the Synod of Pennsylvania in the United Presbyterian Church in the U.S.A., said in an address before the Adams County Ministerium Monday at the York Springs Lutheran Church.

The speaker suggested a basic pattern by which rural churches can unify and centralize their programs to present a stronger program in rural communities today. He based his talk on a sociological study of changes in the nature of rural America and on ways in which churches can adapt themselves to that new situation.

A discussion period followed the talk.

Soil Stewardship Week

Clarence Waybright and W. Clayton Jester, members of the county soil conservation district board, appeared before the pastors to ask that they bring to the attention of their parishioners the observance of Soil Stewardship Week May 3 to 10.

The opening devotions were conducted by the Rev. Norman Bortner, pastor of the host church, and the ministerium president, Dr. Paul L. Reaser of Gettysburg, presided at the business meeting. Reports were received on the status of legislative matters of interest to church people now pending at Harrisburg.

After the meeting, a luncheon was served by the ladies of the church.

The ministerium will meet next on May 4 in the Trinity United Church of Christ in Gettysburg.

BARTHOLOMEW TO HEAD PTA

Dr. Clarence Bartholomew, member of the physical education department faculty at Gettysburg College, was elected president of the executive committee of the Gettysburg Parent-Teacher Association Monday.

Snark Guided Missile Fired

CAPE CANAVERAL, Fla. (AP) — Airmen of the first strategic Snark missile squadron were at the controls Monday night when the first operational version of a Snark guided missile roared aloft on the start of a 5,000-mile intercontinental range flight.

The Snark, the first U. S. intercontinental weapon capable of spanning oceans, streaked off with a flash of power on a trip that wound up near Ascension Island eight hours later.

The firing was conducted by the 556th Strategic Missile Squadron, which will man the unit operationally in Presque Isle, Maine, in the next two months.

It was the first shoot of an operational version of the silver-coated weapon over full range by a military crew.

It was learned that the test was highly successful.

SCHOOL BOARD STUDIES OVER ITS PROBLEMS

For more than an hour Gettysburg school directors at their April meeting Monday evening discussed problems facing the joint school district and adjourned after transacting only routine business. President Ray J. Kitzmiller presided with all members of the board present.

The directors talked over pupil housing problems raised by the state's orders for changes at the Meade, Lincoln and high schools, the crowded conditions to be experienced at the high school this fall and the prospect of "getting new school buildings on the drawing boards soon."

Budget matters, usually on the agenda for April, have been delayed by the prospect of extra spending under state Department of Labor and Industry orders. A special meeting on the budget may have to be called, Superintendent H. Edgar Riegle told the directors.

Balance Holds Up

The directors also talked over questions raised at the last special meeting of the joint school board when rural directors questioned the advisability of spending their money on Meade or Lincoln schools, or both, with both now being the property of the Gettysburg borough school district. No formal action was taken on the matter Monday evening. The board's position on the question may be influenced by whether plans are for changes in the buildings on a temporary or long-term basis.

The monthly statement of the treasurer, the Gettysburg National Bank, showed an April 1 balance in the general fund of \$75,424 which was said to be comparable to the balance a year ago. In the last month \$2,036 came in in tax money and \$2,473 in federal aid while \$20,000 was paid to the joint school treasury.

Superintendent Riegle reported on a "very satisfactory" conference between school and borough officials on the new procedure for handling the recreation program.

LADIES GUESTS OF KIWANIS

The Rev. C. Reynolds Simmons, pastor of the Gettysburg Church of the Brethren, was the speaker Monday evening at a ladies' night held by the local Kiwanis Club at the Methodist Church in observance of the fifth anniversary of the chartering of the service club.

Choosing as his theme "The Conscience of the Human Being," Rev. Mr. Reynolds held functions generally without being noticed. We go about our daily lives seemingly automatically doing the right thing. It is only when we determine on a course that is opposed to our conscience that we become aware of its presence."

Three past presidents of the club, Ernest Krape, Harry Spangler and Herbert Hamme, were honored.

Ronald Ditzler sang several selections accompanied by George Boyer at the piano. President Robert McCoy introduced as special guests eight members of the Hanover Club: Rev. William Yingling, W. W. Eisenhart, Edward Snyder II, Reginald Ditts, Edward J. Hilbert, Gerald F. Smith, Ernest Schmitt and Robert Gross. Approximately 50 attended.

This evening President McCoy and Roy Thomas will represent the local Kiwanis Club at a testimonial dinner being held at Harrisburg for the International President, Kenneth Loheide.

14 HALF-HOUR PARKING AREAS ESTABLISHED

Gettysburg borough council at its meeting Monday evening in the engine house authorized the placing of 14 half-hour parking meters in the Lincoln Square area by adopting an amendment to its original ordinance.

Members of the ordinance committee reported to council that the amendment to the ordinance was made to cover all of the streets of the town so that council will not have to pass an amending ordinance each time it wants to move a meter. Previously the ordinance listed various streets and parts of streets as "congested areas." The new amendment declares the "congested area" to be "the entire borough of Gettysburg."

Committee Selects Places

The new ordinance provides for half-hour meters, hour meters and two-hour meters to be placed at the discretion of the safety committee. The council retains the authority to "rescind or modify" the actions of the committee.

Another change sets the hours for operation of the meters from 8 a.m. to 10 p.m. It provides that the safety committee "may designate areas where the provisions of this ordinance will not apply after six o'clock on week day evenings." The meters will not operate on Sundays and holidays.

Persons who park longer than the time allotted are in violation no matter how many nickels they put into the meter.

The ordinance also provides that the motorists must turn the handle or push the slot to start the meter operating. Otherwise they are in violation.

Council authorized the purchase of fifteen additional meters at a cost of \$59.50 to be placed in the new zones. Fourteen present meters will be moved to other areas.

Another ordinance authorizes the burgess to restrict parking where new buildings are being erected or buildings are being remodeled, and to restrict pedestrian traffic in those areas. Violators are subject to a fine of \$25 and cost or ten days in jail.

DR. HART WILL ADDRESS PTA

Dr. William S. Hart, founder and director of the Gettysburg Symphony Orchestra, will be the speaker for the meeting of the Keefeauver School Parent-Teacher Association Thursday evening at 8 o'clock in the general purpose room of the school.

Mrs. S. Blaine Miller, chairman of the committee in charge of the meeting, has invited members of all PTA units here and other interested persons to attend.

Mrs. Paul Bricker, president of the Keefeauver School PTA, said

DR. W. S. HART

that a business meeting with the annual election of officers will be conducted after Dr. Hart's address.

Dr. Hart is a member of the staff of the Peabody Conservatory of Music. He is a regular Sunday night performer on WGET and has performed on a nationwide ABC television show. Dr. Hart will speak of his plans to conduct concerts here for children. He founded the Gettysburg Symphony in April of last year. It has presented two concerts here.

BIRTH ANNOUNCEMENTS

At Warner Hospital

Mr. and Mrs. Charles Kingston, Arden, Pa., daughter, today.

Mr. and Mrs. Robert Stull, R. 1, daughter, today.

Mr. and Mrs. Ronald Hall, Littlestown R. 2, daughter, Monday.

At Hanover Hospital

Mr. and Mrs. Paul F. Rhine Jr., New Oxford R. 1, daughter, Sunday.

At Carlisle Hospital

Mr. and Mrs. Harry W. Smith, Gardners R. 1, daughter, Saturday.

Find Way To Get Electricity Directly From Atomic Power

LOS ALAMOS, N. M. (AP) — The first direct conversion of nuclear reactor energy into electric power was announced today by the Los Alamos Scientific Laboratory.

The LASL-developed plasma thermocouple gave enough power to light an electric light bulb for almost 12 hours before it was shut down and dismantled for analysis.

The achievement was the result of an experiment in which the plasma thermocouple was placed in the core of a heterogeneous research reactor, laboratory officials said.

A thermocouple is a means of producing electricity by bringing two different metals into contact, then cooling one metal and heating the other.

The Los Alamos thermocouple is the result of a laboratory experiment which substituted ionized cesium gas — the plasma — for one of the metallic elements. The other metallic element is enriched uranium.

The device bypasses the intermediate step performed by turbines in the present conversion of other types of power to electricity.

COUNTY SPENT \$533,129.06 DURING 1958

Adams County spent \$533,129.06 during 1958 through the county institution district and liquid fuel funds, and wound up the year with \$247,853.49 in the bank, according to the annual audit filed Monday with the prothonotary by the county auditors.

The figures show a total income of \$780,982.55 for the year, including balances from prior years.

In the county fund, receipts and balances totaled \$363,990.15 while expenditures were \$278,130.58 leaving a balance in the fund of \$85,859.57. The institution district report showed income and balances of \$224,219.23 and expenditures of \$110,823.73 leaving \$113,395.45 in the bank at the end of the year. Of that amount \$75,000 was set aside in a special account toward eventual construction of the new county home. And about \$50,000 has been added to that account since the beginning of the year, thus not showing in the audit.

County Balance Steady

The liquid fuels fund had balances and income totaling \$192,773.17 and from that fund \$144,174.73 was spent, leaving a balance as of this year of \$48,598.44.

The account of Treasurer Clark Spence, under the heading of "county fund," shows the fund began the year with a balance of \$82,380.23. Income included \$177,675.41 from 1958 real estate and occupation taxes, \$31,005.07 from 1958 personal property taxes, \$15,223.37 from 1957 real estate and occupation taxes, \$317.03 from 1957 personal property taxes and even \$2.02 from 1956 taxes.

Other income included fines and forfeits totaling \$6,878.05, departmental earnings, totaling \$6,913.06; miscellaneous income of \$22,615.16; refunds totaling \$11,619.31, and numerous other sources of income including amounts on taxes paid directly at the office which brought the total income including the balance from the prior year to \$363,990.15.

Expenses Itemized

The audit shows \$19,932.12 still outstanding in 1958 taxes on real estate and occupations.

Expenditures from the county fund included \$19,160.56 administrative expense, \$11,097.22 for court house operation, \$17,815.70 for elections, \$10,822.87 for operation of the chief assessor's office, \$3,042.37 for salary and expenses of the sealer of weights and measures, \$8,430.68 for the treasurer's office, including his salary of \$6,000; \$2,044.09 for the auditors' office and salaries and \$7,888.57 for tax collectors' salaries.

Other expenses included \$2,935.26 for the register and recorder's office; \$12,432.44 for operation of the sheriff's department; \$1,570.56 for the coroner's

Russia Arms Tribesmen To Help Form Commy Foreign Legion With Iraqi Regime

CAIRO, Egypt (AP)—Reports that Soviet-armed Kurdish tribesmen are being shipped through the Suez Canal to Iraq aroused speculation today that the Soviet Union is helping Iraqi Premier Abdel Karim Kassem form a pro-Communist Foreign Legion.

Egyptian authorities said three Soviet ships — one carrying 855 fully armed Kurds and the other two loaded with military equipment — passed through the canal since Sunday bound for Iraq's big Persian Gulf port of Basra.

Kurds Are Scattered

The Kurds, though not Arabs, are scattered through Arab regions as well as into the Soviet Union and make up one million of Iraq's 6 million people. Many have long dreamed of carving out their own nation of the areas of northern Iraq, western Iran and eastern Turkey which they inhabit.

Observers at Port Said reported the tribesmen passing through the canal were Soviet citizens of Kurdish origin, from the southernmost regions of the Soviet Union. The United Arab Republic's Middle East News Agency said the Soviet

Kurds were trained in guerrilla fighting.

The agency, without giving a source, said more Soviet ships carrying new groups of Communists, are expected at Port Said en route to Iraq.

Only a week ago Kassem hinted he might grant the Iraqi Kurds self-government — a move that would meet with favor in Moscow.

The Communist-trained Kurds could form the nucleus of foreign legion units which the Egyptian press said Kassem is forming.

The 1,030-ton Soviet ship Gruzia carrying the Kurd tribesmen was closely guarded during a brief stop at Port Said Monday. Officials said they had difficulty getting aboard to make a routine check.

Another Soviet ship, the Nikolai Brigof, loaded with 9,000 tons of military equipment, also passed through the canal Monday for Basra, the Middle East News Agency reported. The 10,000-ton Soviet freighter Elia Teknikof, with arms for Iraq, moved through on Sunday night, the agency said.

CARL F. BLACK, FRUITGROWER, DIES SUDDENLY

Carl F. Black, 62, Gardners R. 2, well known upper Adams fruitgrower, died Monday afternoon at 12:10 o'clock at the West Side Osteopathic Hospital, York, of a heart attack.

He had been in his usual health in the morning and was grafting trees at his home orchard at Gardners R. 2 when he became ill. He told Mrs. Black he planned to drive to the office of Dr. Joseph L. Eshleman, East Berlin, his physician. When his wife suggested she accompany him, he told her it was unnecessary.

Rushed To Hospital

When he arrived at the physician's office, Dr. Eshleman called the East Berlin ambulance and directed Mr. Black's removal to the West Side hospital. He arrived there at 10:45 o'clock and death followed less than two hours later.

A son of the late George W. and Minnie B. (Tuckey) Black, he was born and always resided in Adams County and was a fruit grower most of his life. He was a member of the Centenary EUB

LEGION PLANS MORE 'SUPPER CLUB' EVENTS

Plans for the second session of the "Supper Club" of the Albert J. Lentz post of the American Legion were outlined Monday evening at a meeting of the post at the Legion home, Baltimore St.

Commander Harold W. Culp said 60 attended the first session of the supper club held March 19 and as a result of its success additional ones will be held. The next will be on Thursday, April 16, at 6 p.m. at the club home, Culp said. Members of the Legion may invite members of their families or guests to the roast beef supper and entertainment will be furnished following the meal. Tickets must be secured in advance, Culp said.

Commander Culp also announced plans for a Ladies' Auxiliary Night dance April 18 with George Roy and his Ambassadors providing the music. The dance is open to all Legionnaires and their ladies and members of the auxiliary.

Essay Contest Underway

Attorney John A. MacPhail reported essays have been written for the annual American Legion essay contest and that the winners will be announced in the near future.

Adjutant William T. Timmins Jr. reported membership totals 903. A meeting of the membership committee was held following the post meeting to map plans to increase the membership to at least 938.

Five new members were accepted Monday: Joseph W. Irvin, W. Middle St.; Lawrence K. Kuykendall, Gettysburg R. 3; Philip Gleason, Gettysburg College; George W. Bolkmann, 240 Carlisle St.; and Dale H. Arnold, Gettysburg R. 3. Carl E. Stough Jr., who has moved to Hanover, was transferred to the post there.

Plans for the national Legion

(Continued On Page 3)

TO GIVE PLAY AT FAIRFIELD

The Senior Class of Fairfield Joint High School will present the three-act comedy, "Good-Time Charlie," in the school auditorium Wednesday at 8 p.m.

The action centers around Pam and Charlie Potter, married only six months. Charlie is an excellent husband but seems to be more interested in having fun than in getting ahead. Debts are piling up. Pam, egged on by her trouble-making sister, Doris, decides to go back to work. The climax comes when Pam's father is robbed of a large sum of money. Indications are that Charlie has taken it. However, he clears himself against terrific odds, and the future is bright for him and for Pam.

Margaret Cullison will play the role of Pam. James Herring will portray Charlie. Charlotte Hardman will be Doris.

Others in the cast are: Mrs. Briggs, an apartment house superintendent, Freda Myers; Ted Marks, Charlie's friend, Harold Shiner; Martin Conover, a successful businessman, John Sprinkle; Will Haley, Pam's father, Nelson Kauffman; Laura Haley, Pam's mother, Elizabeth Dick; Joan Haley, Pam's kid sister, Barbara Sanders; Betty Hawthorne, a career girl; Judith Bostwick, and Harold Winton, a henpecked husband, Donald McIntire.

Expect To Enroll 225 Beginners

Parents of beginners who expect to enter the first grade in the local public schools in September were reminded today to register their youngsters at the Keefeauver Elementary School building Wednesday. The hours are 9 to 11:30 a.m., 1 to 3:30 and 6:30 to 8:30 p.m.

Each beginner must be accompanied by a responsible adult and must present a birth certificate and vaccination certificate if it has been secured. Children must reach their 6th birthday before next February 1 to be eligible.

School officials expect 225 to 240 may enroll for the first grade.

4 NEW YORKERS HIT BY CAR AT INTERSECTION

Four New Yorkers were hit by an auto at 10:30 o'clock this morning as they crossed Baltimore St. at Middle and all were taken to the Warner Hospital by ambulance for examination and treatment. Three were hurt, none apparently critically, while the fourth, a four-year-old boy, escaped injury although he was knocked down by the impact.

Borough Police Officer Ray Menges, who investigated, said the driver of the car, Calvin L. Moritz, 73, Gettysburg R. 2, was traveling east on W. Middle St. and had a green light for the intersection. As he turned north toward Lincoln Square, he told the officer, he saw the pedestrians and tried to brake but his foot struck the accelerator, or slipped from the brake to the accelerator, and he was unable to stop in time.

Thrown 20 Feet

The victims are Mrs. Betty Litzberger, 39, Franklinville, N. Y., who suffered a laceration of the scalp and a sprained wrist; her mother-in-law, Mrs. Mary Litzberger, 67, who has possible rib fractures and may have a broken ankle; William F. Litzberger Jr., aged four, who was unhurt, and the boy's father and Betty's husband, William F. Litzberger Sr., 48, who suffered bruises.

Officer Menges said the elder Mrs. Litzberger was thrown about 20 feet by the impact and the boy was rolled onto the street. All were taken to the hospital in the Gettysburg Fire Company ambulance.

The officer said he will file an information against Mr. Moritz charging him with failing to yield the right of way to the pedestrians who were crossing Baltimore St. while a red light halted traffic on that thoroughfare.

The pedestrians were crossing from Minter's corner toward the Gettysburg Hardware Store.

Aged Emmitsburg Woman Is Injured

Miss Belle Rhodes, 90, Emmitsburg, was treated at the Warner Hospital Monday for a fracture of the right upper arm and contusions of the face and right hand suffered in a fall at her home Sunday.

Gay Milburn, 14 months, son of Mr. and Mrs. Reed Milburn, Littlestown, received treatment Monday for a fracture of the left leg sustained in a fall at his home.

HOSPITAL REPORT

Admissions: Paul Oyler, 214 Chambersburg St.; Mrs. Jason Sanders, Emmitsburg R. 1; Mrs. Charles Kingston, Ardenville; Mrs. Murray Valentine, Rocky Ridge, Md.; Mrs. Harry Clinean, Taneytown R. 2; Mrs. Lucy Eller, Littlestown; Mrs. Robert Stull, R. 1; Claude Biddinger, Littlestown; Mrs. Robert Hall, Littlestown R. 2.

Discharges: Bernard Gratton, Bendersville; Mrs. Donald Leatherman and infant daughter, R. 2; Mrs. William Lentz and infant daughter, 700 Fairview Ave.; Mrs. Russell Nunemaker, 43 E. Middle St.; Mrs. Rodney Shuff and infant daughter, York; Mrs. M. Elizabeth Snider, Littlestown; Mrs. Scott Swisher and infant son, R. 2; Robert Wellington, Warren, O.

CD POSTPONES

The county-wide Civil Defense meeting scheduled for Monday night by CD Director William G. Weaver was postponed until next Monday because of the county firemen's association meeting and other meetings also listed for Monday night.

APPLY FOR LICENSES

Ralph Harry McGregor and Ada Mae Mummert, East Berlin R. 1, have filed application for a marriage license in York.

Joseph T. Reed Jr., R. 3, and Nancy Louise Secrest, Fayetteville, have filed application for a marriage license in Chambersburg.

LICENSED TO MARRY

Robert L. Livingston, Aspers, and Grace Evalene Comfort, have secured a marriage license in Westminster.

M. H. NICHOLS APPOINTED TO TOWN COUNCIL

M. Hardy Nichols, Buford Ave., was named Second ward councilman by borough council at its meeting Monday evening in the engine house. He will fill the vacancy caused by the death of Councilman James Shenk.

Nichols was nominated by Councilman Harold Ecker and he was appointed without opposition.

Ecker also won authorization for a meeting of council with the county commissioners and township supervisors on April 16 to discuss, with state officials, a solution for the town's problem of waste disposal.

The action was in accordance with a letter to Ecker from the state board of health suggesting such a meeting to solve the problem.

Order Is Extended

Gettysburg has been granted a stay, of the state's order to close the dump, until April 24. The state department of health said it believes only a joint meeting of the various groups involved can solve the problem.

Council authorized purchase of a "Thermo-Fax" machine, at a cost of \$299, to make duplicates of borough papers.

Council authorized the purchase of an \$89 canvas cover for the ladder truck now parked outdoors.

Councilman C. Donald Rebert asked the Highway and Safety committee to join in a survey of sidewalks on Mummatsburg St. The annual town inspection by council will be made during the week of April 26.

To Purchase Materials

The highway committee was directed to secure bids for 10,000 gallons of tar and 500 tons of stone for street repair and authorized borough engineer LeRoy H. Winebrenner to buy 100 gallons of white paint and 25 gallons of yellow paint at a cost of \$4.20 a gallon to repaint the lines on the streets and curbs.

S. Blaine Miller won approval of council for a plan to change the extension of Long Lane so that it will make a gradual curve along government land rather than continue to its present ordained terminus and then make a "dog leg" in order to be continued on Colt Park land. Miller was asked to present a deed to the land for the proposed new location of the Long Lane extension at next month's meeting so that an ordinance may be passed establishing the new location. The planning commission had previously given its support.

PRISONER CUT IN FIGHT AT COUNTY JAIL

A Monopoly game ended in injury to one prisoner—and a longer term for another—at the Adams County Jail Monday afternoon.

Calvin Brown, 22, Baltimore, suffered a cut on the top of his head which required 11 stitches to close and a cut on the neck requiring six stitches.

Sheriff Dawson Miller brought aggravated assault and battery charges against Brown's assailant, Charles Steward, 28, an itinerant worker from Florida who lists Ardenville as his address.

Were Playing Game

The sheriff said the two Negroes were playing a game of Monopoly in the cell block of the jail.

An argument ensued and Steward, who was reported as having had only six more days to serve on a sentence for larceny of a car and a radio, became angry and, securing a razor blade he had hidden on his person, suddenly slashed at Brown.

Brown is in jail charged with burglarizing the homes of former Sheriff Dorsey Schultz, Mares Sherman and Robert Steinberger. Steward's sentence was for attempting to steal a car at the Swope's Atlantic station. Steward moved the car only a few feet, crashing it into a bus parked on the lot, then took off afoot with a radio from the auto and was quickly apprehended.

Pleads Guilty

After separating the men, Sheriff Miller took Brown to the Warner Hospital for treatment of his injuries and then took Steward before Justice of the Peace Robert P. Snyder where he entered a plea of guilty and in default of \$2,000 bail was placed in solitary confinement at the jail for sentence by the court Monday.

The incident occurred about 12:30 o'clock Monday afternoon. The sheriff and other officials at the jail were in a quandary over where Steward obtained a razor. All men who enter the jail are searched. Further investigation is being conducted into the source of the razor blade.

EXPENDITURES TOP RECEIPTS IN GETTYSBURG

Gettysburg spent approximately \$2,400 more than it received during March, but it still has a balance of \$26,975.32 to carry it over until taxes start coming in according to the report presented at Monday evening's meeting of borough council at the engine house by Treasurer John H. Basehore.

Income for the month, which began with a balance of \$29,310.96 was \$3,177.53. It included \$85 from justices of the peace, \$161.79 from the tax collector, \$1,850 from the parking meters and \$1,076.73 from Burgess Wilbur L. Plank.

Expenditures were \$679.45 for general government, \$2,867.71 for protection to persons and property, \$1,961.82 for highway purposes, for a total of \$5,508.96. So far this year the town has spent \$22,344.22.

Other Reports

Burgess Plank's report showed income of \$1,076.73 including \$13 for rental of parking meter spaces, \$479 from parking meter fines, \$182 for 13 building permits, \$290.73 theater tax, \$5 for five guide licenses, \$5 for an underground tank permit and \$102 from a mowing bill.

The report also showed the burgess issued 15 building permits for construction of property valued at \$72,300.

The report of Chief of Police Jack Bartlett showed the police made 11 arrests on criminal charges, 18 arrests for traffic violations, investigated six accidents and 263 complaints, provided 21 escorts and 68 "assists" to other departments, found one lost wallet and two stolen bicycles.

COUNTY SPENT

(Continued From Page 1)

department; \$4,354.33, prothonotary's department; \$10,041.90, clerk of courts office; \$6,691.91, district attorney's office; \$21,154.97 court costs including, \$11,086.46 for jury fees and expenses.

\$30,000 Into Savings

Costs and justices of the peace costs were \$3,965.05; probation and parole, \$8,733.87.

Maintenance of prisoners in correctional institutions cost the county \$25,544.79; children's maintenance in institutions totaled \$42,394.17; operation of the jail cost \$17,363.85. The superintendent of schools' office operation cost \$6,541.91; "military" including amounts for burials, etc., and operation of the county veterans' office totaled \$7,723.57.

Miscellaneous operations cost \$54,809.81 of which a major share was \$30,000 placed in a savings account against future need. Agricultural extension association costs were \$7,654.41, \$6,000 was given the library, \$5,000 hospital including the cost of hospital care for inmates of the jail and county home. The county makes a lump sum donation in exchange for care of these under county jurisdiction. Social security cost \$2,820.56; insurance \$2,008.48 and postage \$1,325.57.

\$43,000 In County Aid

The liquid fund report showed it started the year with a balance of \$101,073.07 and received \$91,700.10 from the state as its share of the gasoline tax. Expenditures included \$34,325.15 provided the townships in "county aid," \$8,995.31 given the boroughs in similar aid, \$54,491.50 spent for new bridges, and \$33,997.53 spent for reconstruction of bridges, leaving a balance of \$48,586.44 in the fund.

The institution district report showed it began the year with a balance of \$91,871.14, taxes from the current year brought in \$82,033.84, from 1957 \$6,506.82 and from 1956, ninety-one cents. Inmates paid \$18,859.71, welfare paid, \$1,244.55; probation, \$2,269.58, the department of public assistance \$1,179.36 and the state \$2,638.98. Sale of livestock brought in \$2,629.78, grain \$987.63 and miscellaneous income was \$12,701.25.

Outlay included \$6,268.30 for administration, \$54,580.60 for operation of the county home including \$19,111.89 for nurses and attendants, \$6,918.24 for groceries, \$7,973.73 for fuel, light and water and even \$252 for tobacco for the men guests at the county home.

Operation of the county home farm cost \$9,456; "keeps" in other institutions, \$3,594.71; child welfare \$32,544.58 of which \$16,549 was for the maintenance of children in foster homes, and \$77,374.53 miscellaneous, of which \$75,000 was the amount put in the savings account toward new county home construction.

The report showed there were 36 women and 24 men in the county home during the year and 63 there as of January 1. There were 28 admissions to the county home during the year, 19 deaths and ten persons discharged.

SKATE COMES HOME

GROTON, Conn. (AP) — The atomic submarine Skate came back triumphantly today from her second trip under the North Pole.

Her captain, Cmdr. James F. Calvert, waved from the conning tower of the nuclear ship as foghorns sounded, whistles screamed and a fireboat shot water into the air in welcome.

Social Happenings

For Social News Phone Gettysburg 1248 or 640

Hammond—Neil

Mr. and Mrs. Walter K. Neil, East Berlin R. 1, have announced the engagement of their daughter, Jean Elizabeth, to Charles Hammond, son of Mr. and Mrs. O. K. Hammond, Holyoke, Colo.

Miss Neil is a senior at North-ern High School, Dillsburg. Her fiancé is a graduate of Holyoke High School and is presently stationed at the Naval Air Station, Lakehurst, N. J.

Ike, Mamie Arrive For Vacation, Golf

AUGUSTA, Ga. (AP) — President Eisenhower arrived here today. The presidential plane, the Columbine, set down at 12:45 p.m. after a two-hour flight. The temperature was 80 degrees. Eisenhower told greeters: "This is the first summer I've had this year."

The presidential party was met by Jerome Franklin and Cliff Roberts, members of the Augusta National Golf Club. Eisenhower was expected to head for the golf course for a round of golf.

Mrs. Paul T. Snowden, wife of the commanding officer of Ft. Gordon, handed Mrs. Eisenhower a dozen red roses.

DEATRICK FUNERAL

Funeral services were held in the Trinity United Church of Christ, Biglerville, Monday afternoon for Miss Nettie Blanche Deatrack, 46, who died at her home in Biglerville Saturday morning. The Rev. Nevin R. Frantz officiated and interment was in the Biglerville Cemetery. Pallbearers were Robert Shriver, Kermit Deardorff, Crosby Hartzell, John Sentz, Ernest Dulaney and Melvin Nary.

The funeral home was the Warner Funeral Home, Fairfield, had charge of arrangements.

Catholic High School and is presently employed at Middleburg Manufacturing Co. Her husband was graduated from Littlestown High School last year. He is employed at Littlestown Foundry.

SAYS RESEARCH

(Continued From Page 1)
and make ammunition for the soldiers in the front line of the fight." He concluded: "We should honor them by helping financially with their work."

Gains Being Made
Dr. Reiman traced earliest mentions of cancer back to 1500 B.C. and papyrus writings. He said recently discovered tablets at Ninevah tell of diagnosis and treatment of cancer by burning out the cancer with a hot iron. "That's not too different from the way we treat it," he observed. "We're a lot more efficient in handling the tools with which we kill cancer today by irradiation, or surgery by certain chemicals."

Discussing what is involved in finding a "cure" for cancer, Dr. Reimann said: "What I seek for in cancer research is for knowledge about normal growth that will enable us to pue the human body in such a condition to stop abnormal cell growth or prevent abnormal growth from starting. We have to know more about the chemistry and physics or normal growth to get control and steady gains are being made."

Pointing out that there is very little difference between normal and cancerous cells, the speaker said some kinds of cancer can be controlled now and research around the world is so closely organized that discoveries are quickly shared. Early diagnosis still is very important. "I like people to come to me with lumps, bumps and ulcers in such an early stage that I can't tell whether they're cancerous or not on sight. But a pathologist can give the answer and be right 97 per cent of the time."

Not Hereditary
Cancer is one of the penalties for living and all living things, plants and animals, get that deviation of normal growth that we call cancer. Everybody benefits by cancer research and everyone should help pay for it."

During a question period after his talk, Dr. Reimann said cancer is not hereditary but an individual may inherit a "pre-disposition" toward cancer like baldness, arthritis or other weaknesses.

A cigarette-smoking Lion asked Dr. Reimann, who was then smoking a cigarette also, if it "has been proven conclusively that cigarettes cause lung cancer." Dr. Reimann laughed and said "some folks may have a pre-disposition toward lung cancer" and suggested that exhaust fumes may be more dangerous to human lungs than tobacco smoke.

"Probabilities Pretty Low"
In answer to other questions, the speaker said there is no known connection between water fluoridation and cancer and that the probability of cancer developing from a body bruise or injury is "pretty low."

Clubs represented at Monday's meeting included the Business and Professional Women, Soroptimist, Hunterstown Ruritan, Optimist, Coneyago Lions, Exchange, Kiwanis and Rotary and Lions of Gettysburg.

Drs. Wolff, C. H. Johnson and J. L. Boyer were introduced as medical members of the board of directors of the cancer society here. Lay directors introduced include: Charles Weaver, Douglas Smith, Attorney S. M. Rafespenser, Attorney John MacPhail, Mrs. Verna Myers, treasurer, and Mrs. William Harbaugh, secretary.

County Youth Is Jailed For Hearing

Frank R. Cline, 42, Biglerville R. 1, was charged with three motor code violations following his arrest Sunday by Police Chief Frank H. Stoerzinger, Mt. Holly Springs.

Stoerzinger charged Cline with driving while under the influence of intoxicants before Justice of the Peace Luther Peterson. The charge was filed after Stoerzinger followed Cline from Mt. Holly Springs to the Pine Grove Furnace Rd. Later Stoerzinger charged Cline with failure to have the 1959 license sticker on his car and driving without an operator's license before Justice of the Peace Lauren Taylor, Hunters Run.

Peterson committed Cline to the Cumberland County jail to await a hearing.

WILLIAMS SERVICES

Funeral services for Clyde E. Williams, 50, of 35 Hanover St., who died Saturday afternoon, were held this afternoon in the Bender Funeral Home with the Rev. Dr. Paul L. Reaser officiating. Burial was in the Evergreen Cemetery. Pallbearers were Robert Shriver, Kermit Deardorff, Crosby Hartzell, John Sentz, Ernest Dulaney and Melvin Nary.

TAKEN TO HOSPITAL

Paul "Muff" Oyler, Gettysburg R. D., Grandview Terrace, was removed to the Warner Hospital in the fire department ambulance this morning suffering from pneumonia.

DR. RILEY ILL

Dr. Joseph Riley, local dentist, has been confined to his home on N. Stratton St. for a week by illness. He anticipates returning to his work the end of this week.

ADVERTISE IN THE TIMES

Upper Communities

Telephone Mrs. John Leeti, Biglerville 8

The Arendtsville PTA will meet Wednesday evening at 7:30 o'clock. The program will consist of a panel discussion on the subject, "The Development of Correct Study Habits." Serving on the panel will be Mrs. Emma Grove, fifth grade teacher, Arendtsville; Mrs. Mildred Hildebrand, third grade teacher, Arendtsville; Miss Elizabeth Rutledge, county school psychologist; M. Funeral services Thursday at 2 p.m. at the Wetzel Funeral Home, Hanover. His pastor, Rev. Howard J. McCarney, will officiate. Interment in Mt. Olivet Cemetery.

PREPARE TO

(Continued From Page 1)
provide for more even wear on both sides of the street.

Table Orchestra Request
Councilmen suggested prevention of left turns for southbound traffic at E. Middle St. would alleviate conditions, and also suggested that a "left turn lane" be established at High St. to force cars planning to turn left into the middle of the street to permit southbound traffic to go around the halted autos on the right side.

A request from the Gettysburg Symphony for financial support was received. Council "tabled" the matter.

Require Blue Prints
Borough Engineer LeRoy Winebrenner reported plans of Metropolitan Edison Co. to place a "high power" line along Middle St. and of plans of the United Telephone Co. to place heavier cables on its poles for the new dial system.

Winebrenner said the heavier wiring requires placing of guy wires on some poles. Council voted that in each case where a guy wire is asked for a pole a blue print must be made and submitted to council and council will either approve or disapprove each request. Councilmen held that guy wires constitute a danger to the public.

Burgess Wilbur Plank reported two property owners notified to do away with outdoor sanitary facilities have agreed to make the required changes. He also added that "Hotel Stop" signs have been placed at the Hotel Gettysburg and James Gettys Hotel.

tary Joseph Riley announced today. The troop charter will be signed and plans made for the summer.

Littlestown

EXPECT 225
FOR BANQUET
ON WEDNESDAY

Approximately 225 are expected to attend the 23rd annual spring banquet program of the Littlestown Fish and Game Association, Inc., to be held on Wednesday at 6:45 p.m. at Banker's Restaurant and Recreation Center, N. Queen St. H. L. "Bill" Conley, director of purchases for the York Division of Borg-Warner Corporation, York, will be guest speaker for the occasion on the subject of big game hunting. His talk will be devoted mainly to his latest expedition for Kodiak bear on Kodiak Island, Alaska. R. J. Stonesifer is general chairman in charge of the affair, and his committee made final arrangements at a meeting last evening.

To Mark Anniversary

The Junior Woman's Club of Littlestown will observe Anniversary Night at the meeting on Wednesday evening at 8 o'clock in the social room of the Eagles Home, W. King St. A coffee social will precede the meeting, beginning at 7:30 p.m. The program will include a movie of familiar faces and a history of the club will be given. Nomination of officers will take place during the business, when plans will also be announced for a sandwich sale. The program will be in charge of the membership committee, Mrs. Kent E. Daum, chairman.

Rededication of Grace Lutheran Church, Two Taverns, will take place at the 10 a.m. worship service on Sunday. The sermon will be delivered by the Rev. Arthur M. Yeagy, Harrisburg, assistant to the president of the Central Pennsylvania Synod. There will be special music by the choir. The Rev. John W. Fry is supply pastor of the parish.

Mrs. Ralph Conover, Pan-American chairman of the "Ladies' Auxiliary of the Ocker-Snyder Post No. 321, American Legion will be in charge of the program at the April meeting of the unit on Wednesday, 7:30 p.m., at the post home, E. King St.

The Ladies' Aid Society of St. Luke's Union Church, near White Hall, will be held at the church on Wednesday, 7:30 p.m. Mrs. Parr R. Breighner is chairman of the April program committee.

Clubwomen To Dine
The Adams County Federation of Women's Clubs will hold its annual spring dinner meeting at Schottie's Hotel, S. Queen St., at 6:30 p.m. on Wednesday, April 15. Tickets are \$1.75 each. Members of the Woman's Community Club of Littlestown and vicinity who plan to attend should make reservations no later than next Monday with Mrs. Robert J. Eck-enrode, president. Reservations for members of the Junior Woman's Club of Littlestown should be made with the president, Mrs. Robert R. Reinaman.

Officials and den mothers of Littlestown Cub Pack No. 84 met on Monday evening at the home of den mother, Mrs. Kenneth

Sketches

By BEN BURROUGHS

"I HOLD A ROSE"

In my hand I hold true love
... a warm and tender thing
... softer than a summer breeze
... that fashions songs I sing
... gently I caress the prize
... valued oh so much
... lest I crush its beauty with
... too heartfelt a touch
... seems as though I'm captured in
... an enchanting spell
... mine is life's great treasure
... without parallel
... would that I could lay it down
... on a velvet bed
... stroke it with my finger tips
... even this I dread
... I must never let it go
... surely if I do
... mine would be the toilsome way
... lonely ones pursue
... so I'll keep it till it does
... now I will disclose
... lines I write are how I feel
... when I hold a rose.

Hartsok, E. King St., for a planning session. The group decided to arrange a field trip for the pack to the Gettysburg Battlefield on a date to be announced. Swimming instructions will be scheduled for the Cubs again this summer. The April study theme for the den meeting is "Down On The Farm," and the individual dens are planning trips to nearby dairy farms. Another planning session will be held on Tuesday, April 28, at 8 p.m. at the home of Mrs. Samuel J. Snyder, W. Myrtle St.

Install Officers
The newly elected officers of Sylvania Lodge No. 321, Independent Order of Odd Fellows were installed at the meeting on Monday evening in the lodge rooms on E. King St. The installing officers were from Gettysburg Lodge No. 124, IOOF, Gettysburg, and included: District Deputy Grand Warden John D. Settle, and District Deputy Grand Chaplain Merle Rudisill.

Installed were these elected officers, Noble grand, Kenneth W. Olinger; vice grand, Clarence O. Bankert; trustee, Ralph L. Snyder. Appointed officers, right supporter to the noble grand, Roy L. Hann; left supporter, Elmer G. Miller Sr.; warden, Melvin A. Miller; conductor, Edward K. Parr; right scene supporter, Paul O. Hawk; left scene supporter, J. Roy Reindollar; chaplain, Stanley M. Staub; outside guard, Earl S. Bishe; inside guard, Edward M. Plunkert; right supporter to the vice grand, Ralph L. Snyder; left supporter to the vice grand, Wade H. Brown. Sylvania Lodge will be host to the Adams County Past Grands Association for a meeting next Monday evening.

PLACE MARKER
AT LOCATION OF
DIGGES CHOICE

Selection of the scenic and fertile section of the Conewago Valley by John Digges in 1727 as his 10,000-acre land grant from Charles Calvert, the fourth Lord of Baltimore, was commemorated Saturday by Digges' Choice Chapter, Daughters of American Colonists, with the dedication of a marker along the Hanover-Littlestown Pike.

The marker, a bronze plaque, was erected at the north side of the highway about 3½ miles west of Hanover. It is a short distance east of the bridge spanning the Conewago Creek, at the Hanover Shoe Farms.

Chapter members, in accordance with a section of the society's bylaws, "to commemorate deeds of colonial interest," held a ceremony directed by the regent, Mrs. Charles H. Sourber, Saturday afternoon, indicating the area selected by the Irish settler which comprises the site of the borough of Hanover, Penn. Twp., a part of Heidelberg Twp., and parts of Conewago, Germany and Union Twp.s, in Adams County.

Diller Speaks
Charles Diller, past president of the Adams County Historical Society, gave the dedicatory address following the reading of the organization's objectives by Mrs. S. Donald Michael. Mrs. Philip N. Forney gave the closing prayer. After the ceremony, the chapter adjourned to the Altland House, Abbottstown, for a business meeting.

According to historical accounts, a native, known as Indian Tom, is credited with advising Digges on the choice of land, knowing the excellent quality of the soil. After Digges had obtained his grant, he settled on the land and built a house on what later became known as the Stoner farm. It is at present the home of Mr. and Mrs. L. B. Sheppard.

Littlestown

HONOR CLASS
WITH SOCIAL

Members of the spring confirmation class were honored by a social held by the Luther League of St. John's Lutheran Church on Sunday evening in the church social hall. Thirty-three were in attendance and the opening devotions consisted of hymn singing, accompanied by Joyce Strevig; Scripture, Francis Barnes; prayer, the Rev. William C. Karns, pastor. An amateur show was presented in charge of Larry Bair and included a poem, Donald Bair; tonette solo, Linda Bair; clarinet solo, Bonnie Greene; poem, Fred Leister; piano solo, Steve Renner; clarinet solo, Shirley Bair; cornet solo, David Trump; accordion solo, Larry Myers; demonstration on a bob-

turn in the face of oncoming traffic.

Bruce W. Painter, 34, Chambersburg, taxi driver from whose vehicle John Alan David, Fayetteville, was hurled to the highway in the crash, was charged with driving too fast for conditions.

Young Davis died of multiple injuries early Tuesday. The accident occurred on the Lincoln Highway just east of Chambersburg last Monday afternoon.

WASHINGTON COUNTY
A Hancock man was sentenced to 60 days in jail Saturday on a charge of resisting a state policeman while the officer was carrying out his duties.

George William Courtney, 34, was convicted by Magistrate William P. Kreyenbohm of resisting and hindering State Trooper Robert D. Kirby at Hancock on the night of April 2 while Trooper Kirby was serving a warrant on Courtney.

Courtney entered an appeal to the conviction and bond was set at \$1,000 for his appearance in circuit court.

LEGION PLANS

(Continued From Page 1)

commander, Preston J. Moore, to visit the Hanover Legion home April 9 were announced. Members plan to invite the national commander to visit Gettysburg while at Hanover.

Preliminary plans were reported for the 41st annual Pennsylvania Department encampment of the American Legion to be held at Pittsburgh July 15 to 18.

The post went on record as favoring Senate bill 1113 and House bills 4924, 4955 and 5,437 now before the U. S. Congress which would permit veterans who have allowed their GI insurance to lapse to reinstate their policies.

Commander Culp reported that Korean War veterans, according to information received from the state Legion "cannot expect to receive their bonus checks before late summer or early fall." So far, according to the report, "the state Legislature has passed neither legislation permitting the bond sale, nor taxation to pay off such bonds if they are authorized."

TANEYTOWN TO
BUY ADDITION
FOR FIRE HALL

The Taneytown Volunteer Fire Co. will have more elbow room shortly. Monday night the town council decided that it will comply with a fire company request and purchase the store room property adjoining the fire hall on the west side.

The building was offered to the town for \$6,000; \$1,000 to be paid down, \$1,000 by November 15, and \$2,000 each November 15, 1960 and 1961. No interest is to be charged. Council approved the purchase with the money to come from the parking meter fund.

A delegation from the fire company told the council that the firemen will undertake any necessary alterations to the building. It is planned to use it to house the ambulance and some other equipment which now tightly crowds the equipment room of the fire house.

The building now houses the Center Meat Market.

Buckets Full Of Money

When the purchase came up for discussion, one of the councilmen asked about the condition of the meter fund and whether collections were "keeping up." Clerk-treasurer Henry Reindollar assured him that collections remain steady. Reindollar further explained that weather had interfered with servicing the meters at times but that when a collection had been made recently, after a delay, "we got two and a half buckets full." Someone wondered if they were "ten or 12 quart pails." Reindollar explained that they were about quart size. Usually a collection nets about one quart of coins, he said.

A proposal was received from Knecht and Maxwell, consulting engineers, Pikesville, offering to prepare plans and specifications for improvements to the town water system for about \$10,000. Specifically the proposal was to do

o-loop, James Strevig; vocal duet, Joyce Strevig and Jane Wantz, with Susan Strevig at the piano; poem, Janice King; humorous reading, Gloria Barnes. The program was arranged by Larry Bair, Jerry Hall and Francis Barnes. Group games were enjoyed. Refreshments were served by Kathy Miller, Melinda Karns, Shirley Leister, Bonnie Greene and Mrs. George Trump. Routine business was transacted in charge of Shirley Leister, president, at which time Louise Groft was appointed to be leader for the meeting next Sunday at 6 p.m.

Child In Hospital
Victoria Kuhn, five-year-old daughter of Mr. and Mrs. Albert Kuhn, 527 E. King St., is a patient in the Hanover Hospital, the result of a fall at home when a splinter punctured her eye.

Mr. and Mrs. J. Wesley Little, Philadelphia, visited during the weekend with relatives and friends in the community.

Mr. and Mrs. Elmer Harper, who spent the past six months in San Bernadino, Calif., returned to Littlestown during the past week.

Representing St. Aloysius Parish Council of Catholic Women at the quarterly meeting of the Conewago Deanery Council on Sunday afternoon at St. Mary's of the Immaculate Conception Parish, Conewago, were: Mrs. Clyde H. Rohrbaugh, parish council president; Mrs. Thomas French, deanery chairman of libraries and literature, and Mrs. Paul E. Altoff, deanery chairman of public relations. Mrs. French was chairman of the deanery nominating committee. Mrs. Altoff was elected recording secretary of the deanery.

er Association at a meeting Monday evening at the Keefeauver School. He will succeed the Rev. Robert A. MacAskill, president for the last year.

Other officers chosen Monday evening include: Vice president and program chairman, Mrs. John C. Stahle; secretary, Mrs. George Fair; treasurer, Edwin L. Minter, and historian, Mrs. Irving Weinberg.

The organization of the committee will be completed next month after the various building units of the PTA have elected their officers at meetings this month.

The executive group discussed the current project of gathering donations for President Eisenhower's portrait to be hung in the new Eisenhower school and it was decided to give the public an opportunity to make voluntary donations to the portrait fund at the annual spring festival of the PTA to be held Friday, May 8, at the Keefeauver school ground.

Plans for that annual festival were reported upon by Mrs. Russell Sharp and Mrs. Carroll Martin, co-chairmen. It was decided that proceeds of the festival

Borough Fathers
O. K. Sewer Plans

The New Oxford borough council Monday approved plans for the proposed borough-wide sewage system and water system improvement and passed a resolution favoring daylight saving time effective April 26.

The sewage-water system project is that which will be undertaken by the New Oxford Municipal Authority. Robert E. Donohue, representing Tracey Engineers, Inc., Harrisburg, who designed the project, showed council members plans for the project and answered a number of questions from individual members. The authority will open bids for the work later this month.

The building and property committee was asked to make a study of the present building permit ordinance and to recommend what changes it feels should be made in the law.

Installation of two new street lights was authorized, one on the Berlin Road opposite the school property, the other on Hollywood Ave.

will be allocated among the various PTA units.

11 STUDENTS
ARE TO SING
AT FESTIVAL

Students from six Adams County high schools will be among 204 members of the chorus from 77 schools in 10 counties participating in the annual Southern District Choral Festival of the Pennsylvania Music Educators Association at Columbia High School Thursday, Friday and Saturday.

The student singers will register at 9 a.m. Thursday and will present two public concerts, Friday at 7:30 p.m. and Saturday at 8 p.m. The Columbia High School auditorium in which the concerts will be given has a seating capacity of 994.

Dr. John Raymond, director of music at Lafayette College, Easton, will be the guest conductor.

Adams Groups

Participating from Adams County will be:

Bermudian Springs High School, East Berlin, Donald S. Gingrich, director; Charles Chronister, first tenor.

York Springs High School, Gary L. Crum, director; Yolanda Golden, second alto, and William C. Coulson, first tenor.

Fairfield Joint High School, Edward B. Cashmore, director; Barbara Sanders, second alto.

Gettysburg High School, Paul W. Grove, director; Barbara Smith, second alto; Hammond Geyer, second tenor; Paul Dietz, second bass.

Littlestown Joint High School, Elmira S. Deardorff, director; Susan Strevig, first soprano.

Lower Adams Joint High School, New Oxford, Kathryn L. O'Boyle, director; William Weikert, first tenor.

Upper Adams Joint High School, Biglerville, Charles L. Yost, director; David Dull, first tenor, and Lynn Lerew, second bass.

ST. LOUIS (AP) — The Horn five of New York City, one of the strongest teams in the East, will attempt to depose the Detroit Piffers as the opening division leaders in the American Bowling Congress Tournament tonight.

As indicated by their 1000-plus average, the Horns are loaded with talent, rank Santore, probably the best known member of the quintet, has won three ABC titles — the 1950 all-events and the 1953 all-events and singles.

Out Of The Past

From the Files of the
Star and Sentinel and
The Gettysburg Times
FIFTY YEARS AGO

Big Crowd At The Opening:
More than eleven hundred Gettysburg people attended the formal opening of the new Walter Theater on York street Thursday evening and all had a good time. The opening had been advertised in the afternoon by a unique parade of the proprietor and assistants of the new theater and a number of the small boy element in costume. The Citizen's Band turned out in the evening and played in front of the new playhouse and by the time the doors were opened five hundred people had gathered at the door waiting for admission.

(The films advertised at the Walter Theater—next door to the Globe Hotel—were "Vulture Hunting In Africa," "Why They Fell Out," "Origin of Beethoven's Moonlight Sonata," 15 minutes of Vaudeville and a song "You Would Do The Same Thing For the Red White and Blue."

Gettysburg Rural Notes: Miss Mary Wenschoff of route 3 spent last Friday and Saturday with Miss Hagar L. Wenschoff on Route 3.

Mervin Van Dyke, of route 6, is the possessor of twenty-three lambs from eleven ewes.

Henry Albright moved from Gettysburg to the tenant farm on the Meadow Valley farm on route 6, vacated by L. M. Fanus.

H. H. Hart has moved from route 6 to Biglerville route 2. John Guise has moved from route 5 to the farm he recently purchased on route 6.

C. D. Stallsmith has moved from route 6 to Gettysburg. Ross Anders moved from Meadow Valley farm to the farm on route 6 vacated by Joseph Cool. P. A. T. Bowers has moved from Route 6 to Table Rock.

Miss Eva Rothaupt and brother Lloyd are spending some time with their grandparents in Orrtanna.

Franklin township supervisors are preparing to take eight feet off the top of the hill at the D. H. Deardorff farm on route 5 between Mummaburg and Hilltown.

Jonas Starnes has moved to his remodeled house on his farm on route 4 and C. W. Haverstock from Tillie Route 1 to the house Mr. Starnes vacated.

Mrs. J. Hummer is having a new galvanized iron roof put on her house on route 4.

Henry Roth has moved from route 6 to Centre Mills.

Two Seriously Hurt Moving:
Two men are lying in a serious condition at their homes south of town as a result of a runaway which occurred shortly after ten o'clock Thursday morning at the foot of East Cemetery Hill. The men are Moses Nicholas, living near Pleasanton avenue, and Frank Redding, son of William Redding, who lives on the old Colodi farm on the Emmitsburg road.

The two men were seated on a load of household furniture which was being moved. When they got near the foot of the hill, the two mules, which were drawing the wagon, took fright and started at breakneck speed. The men were unable to stop the animals which ran to the side of the road, the wagon striking one of a row of locust trees.

Both were thrown from the wagon, Redding falling alongside the road and sustaining a broken ankle. Mr. Nicholas fell in front of the front wheels of the wagon and was dragged some distance before the wheel went over him. James Leister who lives at the foot of the hill had both men carried into his house and summoned Dr. Henry Stewart who found that Mr. Nicholas' condition was very serious. Internal injuries are feared.

Will Conduct Hotel: R. E. Sprenkle, of Hanover, has rented the Central Hotel at York Springs.

Today's Talk

DO IT!

All through life we are constantly stopped to make some sort of a decision. Billy Graham, the evangelist, speaks over and over again of "the hour of decision." We meet such hours often suddenly, and must gain or lose by these decisions.

How many times I have been confronted with a decision and wondered what to do. At such times I have learned to listen to an invisible voice, which I define as a mere whisper — and this is what that voice says: DO IT! When we drop all doubts, all idle questionings, and all fears, we are on high ground in readiness for those great decisions in life that mean most to us.

It is not always easy to make a decision, but when it has been made, a multitude of doubts drop suddenly from our mind, cleanly and happily. We always go forward when we make honest decisions, and stand by them. I like to think that each one of us may have a secret adviser. One to consult when most troubled. Who else but God can be said to be the Perfect Adviser?

Spiritual control of your life can keep you warm and hopeful. It can lead you "beside the still waters." It can flood your life with beauty, kindly acts, and gentleness of mind. Most of what we have gained is not for permanent possession, but only as a loan to be passed on and on. I have many books and many exquisite examples of art, that have only been given to me as custodian. Each example is flavored with love and affection, passing to me by many a lover of the beautiful. I, in turn, plan to pass them in time to others who will carry on the tradition so happily created.

Tomorrow Mr. Adams will talk on the subject: "Savings Banks" Protected, 1959, by The George Matthews Adams Service

Just Folks

THE GARDEN
They're planning now their garden.

In their minds they see it grow;
They are planning beds of pansies

And for sweet peas in a row.
They shall have a pond for lilies—

That's the latest garden fad,
And a bigger show of asters
Than before they'd ever had.

They'll have beets to give the neighbors,
They'll have Brussels sprouts to burn;

They'll have cauliflower and cabbage
When the ground he starts to turn.

All the blossoms that are blooming
In the catalogs today
Will make redolent their garden
When the frosts have passed away.

It's a pleasant winter pastime,
Planning gardens for the spring;
For it's then the back yard's fertile
And the soil grows everything.

But when April days have passed us
And the sun is climbing high,
A dime's worth of nasturtiums
He will wander forth to buy.

THOMPSON IS SPEAKER FOR SPORTS EVENT

Approximately 75 persons were present at the annual Sportsmen's banquet for members of the football, basketball and baseball teams of the Littlestown High School, held on Monday evening at Dutterer's Restaurant, S. Queen St. Also in attendance for the ham dinner and program were Coaches Wilbur J. Gobrecht, Maurice E. Bream, Jack Bream, Donald C. Feiser and Ronald B. Hall; Clayton L. Evans, supervising principal of the jointure; Frank E. Basehoar, high school principal; Lloyd L. Stavelly, administrative assistant; Ralph C. Unger, bus driver for any away games of the teams; Ken Burkman, Hanover, and A. Slagle, York.

The affair was sponsored by the Fraternal Order of Eagles, Littlestown Aerie No. 2226, and Mason and Dixon Memorial Post No. 6954, Veterans of Foreign Wars.

Guest speaker for the occasion was Chuck Thompson, television's voice of the Baltimore Colts and announcer for the Washington Senators baseball team. Mr. Thompson spoke with emphasis on the various mistakes made in television announcing. He was introduced by Frank E. Basehoar, who served as toastmaster, who related that the guest speaker gave the play-by-play description of the championship game, telecast coast-to-coast, between the Colts and the New York Giants. Mr. Thompson now has a disc jockey show over Baltimore television, which is seen each afternoon, and received "highest" rating.

Awards Presented
Bernard M. Selby introduced the members present from the Eagles Lodge; Edgar W. Wisotzky introduced those representatives from the VFW; Charles W. Weikert was in attendance as representative of the LHS Athletic Council.

Ronald Crouse, captain of the 1958 football team, presented trophy clocks on behalf of the team to Coaches Gobrecht and Jack Bream.

Awards were presented as follows: Gold awards, football, Karl Bankert, Ronald Crouse, Samuel Frymeyer, Charles Hawk, Kenneth Hollinger and Jesse Sheely; sweaters and letters, football, Michael Collins, Paul Altland, David Crouse, Fred Dutterer, Wayne Garrett, Edward Knipple, Robert Little, Bruce Stair, Gary Worley, Kenneth Jacobs and Carl Markle; football certificates, Karl Bankert, Michael Collins, Ronald Crouse, Samuel Frymeyer, Charles Hawk, Kenneth Jacobs, Jack Ketterman, Gary Sager, Kenneth Hollinger, Jesse Sheely, Paul Altland, David Crouse, Fred Dutterer, Wayne Garrett, Edward Knipple, Robert Little, Earl Markle, Bruce Stair, Gary Worley, Gene Appler, Harry

Niven won the top actor award for playing a pathetic woman-molester in "Separate Tables." It was one of the few times in his career that he did not play what the trade calls "a David Niven type."

Niven said: "Dammit, I must say I wanted to win and I'm happy I did."

"Gigi" got Oscars for best picture, best screen play based on material from another medium, best directing for Vincente Minnelli, best art direction, best color photography, best song (the title number), film editing, costume design and best scoring of a musical picture. The music for "Gigi" was written by the "My Fair Lady" team of Frederick Loewe and Alan J. Lerner.

"Gigi" Best Play
Lerner also got the award for the best screenplay for "Gigi."

Ives, the 300-pound folk singer, took a night off from his show at Las Vegas' Flamingo Hotel to pick up his Oscar. He played a sort of Western Big Daddy in "The Big Country."

Miss Hiller was not in town to receive her award. Earlier she told a reporter by long distance phone from London that she couldn't understand how she ever got nominated. She played the lovelorn hotel manager of "Separate Tables."

"All you could see of me in the picture," she said, "was the back of my head. Unless they give some award for acting with one's

Cool, William Bowers, Larry Unger and Gene Erb.

Gold awards for basketball, Karl Bankert, Ronald Crouse, Fred Hahn, Jesse Sheely, James Patterson; basketball certificates, Karl Bankert, Ronald Crouse, Fred Hahn, Jesse Sheely, James Patterson, Robert Benner and Edward Knipple.

Mr. and Mrs. Charles Wert and sons, Terry and Ronald, Harrisburg, spent Sunday with Mrs. Wert's parents, Mr. and Mrs. E. J. Naugle.

Mr. and Mrs. W. J. Hughes, York R. 2, spent Sunday with Mr. and Mrs. Carl McDannel.

Mr. and Mrs. Ronald Wert and sons, Terry and Ronald, Harrisburg, spent Sunday with Mrs. Wert's parents, Mr. and Mrs. E. J. Naugle.

Herbert Wetzel, Easton, spent the weekend with his parents, Mr. and Mrs. Dale Wetzel.

Mr. and Mrs. Harold Keller and children, Max and Carman, York, spent the weekend with Mrs. Keller's parents, Mr. and Mrs. Claude Fissel, and other relatives.

Mr. and Mrs. Raymond Pepple had as Sunday guests Miss Lillian Weaver and Mr. and Mrs. Marvin Fox and children, Jenny, and Garry, Hagerstown, and Mr. and Mrs. Brady Hill, Chambersburg.

Mrs. Blanch Myers, Donna Lee and Carla Sue Mummert of here and Mr. and Mrs. Calvin Mummert, Littlestown, visited the former's husband, Luther Myers, in a hospital in Harrisburg Sunday. The condition of Mr. Myers remains unchanged.

Mrs. James Donaldson and Miss Carrie Kittinger spent Sunday with relatives in Lancaster.

Mrs. Tom McCrone and children, Diane and Karen, returned to Newcastle, Del., Monday after a visit with her parents, Mr. and Mrs. J. E. Spence.

Dalai Lama Resumes Trip To Safety In New Delhi

By WATSON SIMS

NEW DELHI (AP)—Tibet's Dalai Lama prepared to leave the remote monastery town of Towang today and push deeper into India as the Buddhist faithful flocked to pay homage to the fugitive god-king.

The Dalai Lama was expected to continue his slow journey today through the mountainous north-eastern zone which is barred to all outsiders because of Naga tribesmen who for years have been warring for independence. Bordilla, a military headquarters some 70 miles off, was believed to be the next goal. The journey on horseback was expected to take four or five days.

In Two Groups

The party was reported moving in two groups—with a large advance patrol serving as guard to the 23-year-old ruler and his top aides. With the 80 Tibetans is a strong guard of Assam state rifle-men and constabulary in addition to Indian army units.

The young ruler, venerated by his people as the reincarnation of Buddha, was reported making frequent stops to bless followers who flock in from the surrounding countryside.

Reliable sources at Shillong, 150 miles south of Towang in Assam state denied reports the Dalai Lama was sick and fatigued.

Nehru Fears Future

P. N. Menon, chief of press relations for India's Foreign Ministry, headed toward the northeast frontier to intercept the Dalai Lama before foreign newsmen reach him.

Prime Minister Nehru dispatched Menon to learn whether the Tibetan ruler intended to say anything about the Red Chinese campaign to subjugate his homeland that could endanger relations between New Delhi and Peiping. Nehru was expected to insist that in exchange for refuge in India, the Dalai Lama refrain from public statements that would incur Peiping's wrath.

Susan Hayward, David Niven Capture Top Academy Awards

By JAMES BACON

HOLLYWOOD (AP)—Susan Hayward, who once despaired of ever winning an Oscar, got one on her fifth try Monday night. So did David Niven, after 25 years of pleasing movie audiences.

The Brooklyn-born redhead and the debonair Scotsman won the top Academy Awards for acting before an audience filled with most of the big names in the entertainment industry. They shared honors with the movie "Gigi," which won in every one of the nine categories for which it was nominated—including best picture.

Burl Ives and the British actress Wendy Hiller won Oscars for best supporting performances.

Short Speeches
More than 100 big names—from Ingrid Bergman to Eddie Fisher—gave a nationwide television audience an electronic peek at Hollywood's biggest night of the year. The acceptance speeches were so short that the NBC-TV show ended some 20 minutes before its two-hour schedule.

Miss Hayward enacted the role of murderer Barbara Graham in "I Want To Live."

While the picture was being made, she told a reporter that "after four disappointments I'm no longer in the business for Oscars. Just say that I do it now for the money and the joy of doing a good part."

She admitted that Monday night's results have changed her views considerably.

"Pleasantly Surprised"
"I thought I had a good chance but I was pleasantly surprised," she said. "And above all thrilled and honored."

Niven won the top actor award for playing a pathetic woman-molester in "Separate Tables." It was one of the few times in his career that he did not play what the trade calls "a David Niven type."

Niven said: "Dammit, I must say I wanted to win and I'm happy I did."

"Gigi" got Oscars for best picture, best screen play based on material from another medium, best directing for Vincente Minnelli, best art direction, best color photography, best song (the title number), film editing, costume design and best scoring of a musical picture. 47 Autos In Test Run In Mountains

GRAND JUNCTION, Colo. (AP)—Mountain highways which wind through passes more than 11,000 feet above sea level challenged the 47 autos in the 1959 Mobilgas economy run today.

The new cars and their drivers left here this morning, bound for Denver, 25 miles away.

Today's run easily is the most difficult of the 1,898.4-mile journey from Los Angeles to Kansas City.

Winners will be designated in each of six classes on a miles-per-gallon formula.

Littlestown

DEGREE TEAM PLANS DINNER

The annual banquet of the Degree Team Association of the Ancient Order Knights of the Mystic Chain, Littlestown Castle No. 31, will take place on Thursday, April 23, at 6:30 p.m. in Grace Lutheran Church parish hall, Two Taverns. Degree Team members and their wives will attend.

There will be no mass in St. Aloysius Catholic Church on Thursday and Friday mornings as previously scheduled. A nuptial mass will be celebrated on Saturday morning.

A food sale will be conducted by St. Aloysius Parish Council of Catholic Women on Friday at 2 p.m. at the Riley building, near the square. Those having donations to be collected should call Mrs. Thomas L. Cookson Sr. or Mrs. George P. Smith.

Beatrice D. Arentz was leader at the meeting of the Christian Endeavor Society of Christ United Church of Christ on Sunday evening. The program was as follows: Group hymns, "Near To The Heart of God" and "Love Lifted Me," accompanied by Anna Shoemaker; Scripture, Erma Arentz; prayer, Richard Berwager; piano solo, Nancy Koons; topic, "He Is My Christ—What Should I Expect from My Church," discussed by Clyde L. Sterner; routine business in charge of the president, Donald L. Wolfe; hymn, "God Be With You"; Lord's Prayer and C. E. benediction in unison. Evelyn Koons served as assistant secretary. The society will meet again next Sunday at 7 p.m., with Bradford Wolfe as leader.

The Junior High Youth Fellowship of Redeemer's United Church of Christ met on Sunday evening at the home of Mr. and Mrs. Robert H. Miller, S. Queen St. Judy Koonz discussed the topic "The Silver Peso." Games were in charge of Marilyn Miller and prizes went to Thomas Stavelly and Steven Basehoar. During the business period, plans were made to have a hayride for members and their guests on Saturday evening, April 18, leaving from the church at 7:30 p.m. Steven Basehoar was appointed to be leader for the meeting next Sunday at 6:30 p.m. at the church. Refreshments were served to both the Junior High and Senior High Youth Fellowships.

Redeemer's Senior High group met at the church before going to the Miller home for refreshments on Sunday. Sandra Hawk, leader, discussed the topic "How To Attract Friendships." The Fellowship will meet again next Sunday at the church, 6:30 p.m., with James Kroh as leader.

Over 30 surprise gifts will be given to members of the audience at the TV Paty Time Show to be presented on Thursday evening at 8 o'clock in the Littlestown High School auditorium. The show is being sponsored by the local Lions Club. There will be take-offs from "Stump Your Neighbor," "It Could Be You" and "The Jack Paar Show." General admission tickets are 35 cents for children and 50 cents for adults, and may be secured from any Lion or at the door. A few reserved seats remain and are available at Marvin's Cut-Rate Store.

Limited To Philadelphia
Emergency succession — The Lawrence administration submitted legislation to the House providing for succession of state officials in the event of an atomic attack in Pennsylvania.

Baseball beer sales—The House restricted to Philadelphia a proposal to permit the sale of beer

House Democrats Reach Compromise On Sales Tax Plan; Wrapped In Secrecy

HARRISBURG (AP)—The House Democratic leadership has worked out a compromise sales tax plan after giving up on passing a 264-million-dollar package in its present controversial form.

But Rep. Stephen McCann, Democratic floor leader, wrapped a mantle of secrecy around what he termed a course of action that would be recommended to the governor.

He said, however, that it involved neither a 2 per cent sales tax with no exemptions nor a 4 per cent rate with several exemptions.

Give Up On Initial Bill
Gov. Lawrence has pushed for increasing the sales tax from its present 3 per cent to a new rate of 3½ per cent and expanding it to include such items as beer, liquor and automobile trade-ins.

"I expect to meet with the governor and present to him some proposals," McCann said at a news conference Monday night. "What I'm going to tell him I'm not going to tell you. It wouldn't be fair."

McCann made it plain that he no longer has hopes of passing the sales tax in its present form. He had just heard a flat statement on the House floor from Rep. Albert W. Johnson, GOP floor leader, that there are no Republican votes for it.

Other Developments
This GOP opposition, coupled with the stand of 177 House Democratic rebels, has stymied the sales levy since it was defeated March 19.

Other legislative developments: Mine probe—The Dauphin County Court postponed a decision on the legality of a legislative investigation of a mine disaster which took the lives of 12 men near Pittston in January.

Acting President Judge William H. Neely said the court would look at the transcript of hearings held so far before making a decision.

Racing Bill Waning
Louis Fabrizio, president of the Knox Coal Co., whose operations were involved in the disaster, has challenged the legality of the committee's investigation.

Horse racing—The House moved into position for debate a measure to authorize a referendum in the May 19 primary election on the question of legalizing pari-mutuel horse race betting in Pennsylvania.

Chairman Charles J. Mills (D-Westmoreland) of the House Law and Order Committee said support of the measure was waning. Johnson said there was a possibility it may be returned to committee.

Limited To Philadelphia
Emergency succession — The Lawrence administration submitted legislation to the House providing for succession of state officials in the event of an atomic attack in Pennsylvania.

Baseball beer sales—The House restricted to Philadelphia a proposal to permit the sale of beer

in baseball parks and moved the proposal into position for a final vote Wednesday.

Previously, Forbes Field at Pittsburgh had been covered by the bill.

Taxes—Johnson announced the GOP position after his caucus decided for the third time to withhold any support of the measure as now written.

Declines Comment
In a speech to the House, he said:

"I would say that by the rather firm way in which our caucus approached the problem there will not be any votes on the bill."

McCann said he received from his own 107-member caucus a solid indication that the Democratic majority was unable to provide the 106 votes needed to pass the law.

McCann declined comment when asked about reports there were enough Democratic votes to increase the 3 per cent sales tax to 3½ per cent but knock out the beer, liquor and automobile trade-in exemptions.

Removal of these exemptions would cut 101 million dollars from the revenue estimated for the sales tax measure. Lawrence has consistently refused to agree to revising the 400-million dollar tax package first proposed by a bipartisan tax committee.

In addition to sales tax changes, the committee proposed — and Lawrence recommended — expanding the Commonwealth's fiscal program in other directions.

The other measures, still in the hands of the House Ways and Means Committee, range from revising the cent-a-bottle soft drinks tax to imposing a four-mill levy on personal property.

Question On Pennsy
Rep. Maurice H. Goldstein (R-Allegheny) noted from the floor that the Pennsylvania Railroad, headed by James M. Symes, who also served on Lawrence's tax committee, plans to reincorporate in Delaware.

This action, said Goldstein, would cost Pennsylvania as much as a million dollars in taxes from the PRR.

"I would like an explanation why they are transferring to Delaware," said Goldstein.

McCann echoed Goldstein's question.

New Encyclopedia Printed In Braille

LOUISVILLE, Ky. (AP)—The American Printing House for the Blind announced Monday it will publish the first Braille encyclopedia.

Publication of 250 sets of 156 volumes each will be made with a \$115,500 gift from the Field Foundation of New York and Field Enterprise Educational Corp.,

Bullets Shell Dutchmen 10-1; Oppose Lions At Penn State Wednesday

After losing three games to the weatherman, the Gettysburg College baseball team (2-0) resumed its schedule here Monday afternoon by thumping Lebanon Valley 10-1.

Bucky Walters drew his first starting assignment and turned in an excellent six-inning stint during which he gave up but three hits and fanned 10. Mel Jacobs, sophomore, was impressive in his three innings of relief.

The Bullets, who racked up 11 safeties as compared to but four for the Dutchmen, tallied their first run in the third inning. Harry Binger singled to third, Connie Youse sacrificed and Walters was safe on an error. Fred Mueller walked to jam the sacks. Gerry Long skied to right after which Binger scored.

Another run came in the fourth on a walk to Larry Liedel, infield single by Jeff Kahler, a fielder's choice and Youse's bounder to shortstop.

A walk to Mueller, Long's sacrifice and Ken Fruchter's single produced another tally in the fifth.

The Bullets wrapped up the out- come with four runs in the seventh on a walk to Jacobs, another pass to Long, single by Fruchter, walks to Liedel and Kahler, and a single by Dick Smith.

Gettysburg added three runs in the eighth as the result of singles by Jacobs, Fruchter and Liedel and a walk to Mueller.

Lebanon Valley's lone tally came in the fourth. Schlatter was safe on an error and advanced on a passed ball. After Weaver fanned, Myers grounded to Walters who tossed him out at first. Schlatter streaking across to beat Fruchter's relay to the plate.

The Bullets travel to University Park on Wednesday to meet Penn State. Despite having only four regulars remaining from last season, the Lions are anticipating another strong team and will be a real test for Coach Bob Hulton's outfit.

ROCKET MAY PLAY IN ICE LOOP FINALS

MONTREAL (AP) — Maurice (Rocket) Richard, veteran of 121 playoff games, geared himself today for an all-out scrimmage session as the Montreal Canadiens prepared for their ninth straight appearance in a Stanley Cup final.

Return of the 37-year-old Rocket after a three-month layoff might be an ominous indication that hockey history will be repeated, whether the Canadiens meet Boston Bruins or Toronto Maple Leafs. Boston and Toronto settle their semifinal series tonight in Boston.

Back in November 1957, Richard suffered an injury that almost severed an Achilles tendon. He came back in the tail end of the regular National Hockey League season and roared through the 1958 playoffs with an amazing 11 goals, one short of his own record set 14 years previously.

Last Jan. 18, the Rocket was again laid low with a crippling injury. A foot bone was fractured, and there were predictions that the NHL's all-time top scorer at last was through.

Since mid-March Richard has been skating again.

Nobody will be surprised if Richard takes up his old rightwing spot when the series opens in Montreal Thursday.

Bermudian JT. WINS FOURTH

A pair of six-run innings enabled the undefeated Bermudian Joint baseball team to rout Boiling Springs 16-5 Monday afternoon at York Springs for the fourth straight triumph for Coach Pete Kemper's outfit.

Charley Chronister sparked the 11-hit barrage by the winners with a single and a pair of triples. George Williams rapped a pair of doubles while Bob Weigle homered with the bases bare in the last of the second.

Bermudian will go after its fifth straight Wednesday afternoon when it meets alone at McSherrystown.

News Of Countians In Armed Forces

Chester G. Herring, chief gunners' mate, son of Mr. and Mrs. C. E. Herring, Gettysburg, visited Naples, Italy, Friday while serving aboard the destroyer USS Bigelow, operating with the U.S. Sixth Fleet in the Mediterranean.

Since leaving Norfolk, Va., March 17, the Bigelow also visited Gibraltar March 27.

William H. Taylor, aviation electronics technician 3rd class, son of Mr. and Mrs. Ivan C. Taylor, York Springs, is serving with Fighter Squadron 31 at Cecil Field Naval Air Station Jacksonville, Fla., where he reported March 6.

Before entering the Navy in July, 1955, Taylor was graduated from York Springs High School.

Marine Pfc. Vance E. Dietz, son of Mr. and Mrs. G. E. Dietz, Gettysburg, is serving with the Second Marine Division at Camp Lejeune, N. C.

The first United States census report in 1790 was a thin booklet of 56 pages. The 1959-60 census report will have more than 130,000 pages of statistical tables.

Star Returns To Coach Alma Mater

LARAMIE, Wyo. (AP) — Bill Strannigan, former University of Wyoming basketball star, is coming back as head coach. He signed a five-year contract Monday.

For the last five years Strannigan has coached at Iowa State. His former coach, Ev Shelton, resigned here to coach at Sacramento (Calif.) State.

Strannigan's losing season at Iowa State this year (9-16) had "no bearing" on his decision to leave, he said.

His teams at Iowa State won 69 games and lost 46.

HORSE RACING REFERENDUM AT SHOWDOWN

HARRISBURG (AP)—The horse racing referendum and baseball park beer sales bills moved to a showdown in the House today.

Both were expected to run into strong opposition.

The proposal to legalize the sale of beer in ball parks of 25,000 or more seating capacity was in position for a final vote after the House changed it to apply only to Philadelphia.

Rep. James F. Clarke (D-Allentown) proposed the amendment which the House adopted unanimously. The idea of beer sales in Forbes Field, home of the Pirates, ran into strong opposition in Pittsburgh. As originally written, beer could have been sold in any ball park in the state filling the seating capacity requirement.

Up For Debate
Legal beer has been advocated in Philadelphia as an extra inducement to keeping the Phillies team in Pennsylvania.

The racing referendum bill, meanwhile, was moved into position for its first floor debate. The House gave preliminary approval Monday night, but that is a routine procedure the first time a bill appears on the legislative calendar.

Chairman Charles J. Mills (D-Westmoreland) of the Law and Order Committee said he was not at all sure that the bill will pass. Last week he had been optimistic.

His committee cleared the bill last week.

Needs 106 Votes
Mills gloomily estimated that his support on the Democratic side had gone below 80 votes.

Republican support of the proposal was not estimated although several Republicans were reported to be in favor of the referendum. Whether there were enough to make up the 106 votes needed to pass the measure remained to be seen.

The referendum would ask the voters if pari-mutuel betting on horse racing should be legalized in Pennsylvania; or, in other words, whether there should be horse race tracks in the state.

HANEY PLANS TO CALL SHOTS FROM DUGOUT

JACKSONVILLE, Fla. (AP) — Manager Fred Haney said today he'll take over for Milwaukee Braves second baseman Red Schoendienst himself — but he'll do so from the bench.

"There isn't anyone in the game who could take over there like Red," Haney said, "and we don't have anyone even approaching his abilities, so I am going to do what I can from the dugout."

Schoendienst, under treatment for tuberculosis, won't be able to play baseball this year, doctors say.

Haney has been using Felix Mantilla and Chuck Cottier to plug the gap and Milwaukee recently acquired infielder Johnny O'Brien from the Philadelphia Phillies for added bench strength.

"The way it looks right now, you're going to see a lot of me out on the mound this summer," Haney said. "When a pitcher is in trouble or needs help I am going out there and leave instructions."

"I don't want any of my present infielders making decisions and I have elected myself to call the shots."

At present, Mantilla is Milwaukee's most logical choice to start at second base because Mel Roach will be sidelined until June or July with a bad left knee.

DELONE TILT CANCELLED
Cold weather resulted in cancellation of the Delone-Spring Grove baseball game scheduled Monday at Spring Grove. Delone will now open its season by meeting unbeaten Bermudian at McSherrystown Wednesday afternoon.

HONORED BY VILLANOVA
Del Warfel, Gettysburg College basketball star, received an honorable mention in all-opponent selections made by the Villanova squad.

LAKERS TURN TO HURLER TO STOP RAMSEY

ST. PAUL, Minn. (AP) — The Minneapolis Lakers are ready to gamble on a baseball pitcher to night to chill the hottest pinch hitter in pro basketball, Boston's rank Ramsey.

The teams resume the National Basketball Assn.'s best four-of-seven final playoffs in the St. Paul Auditorium with the Celtics leading two games to none.

Coach Johnny Kundla of the Lakers said he plans to give 6-6 rookie Steve Hamilton, a long-term bench rider most of the season, a crack at stopping the sizzling Mr. Ramsey.

Southpaw Hurler
"When they send Ramsey in to troubleshoot for them I'll probably have Hamilton in there sooner or later," said coach Kundla.

Hamilton, who played college basketball at Morehead, Ky., is a southpaw pitcher in the Cleveland Indians chain. He had a 17-14 record with Burlington, N.C., in the class B Carolina League last year.

None of the Laker regulars has had much luck with Ramsey, the game-breaking Celtic reserve who has hit 14 of 30 shots and 49 points in 50 minutes of play against the Lakers.

Unless they win this one the Lakers can kiss the series goodbye. Beaten twice in Boston they can't afford to lose a home game and still retain much hope of winning the title.

N. O. LINKSMEN STAY UNBEATEN

CENTRAL PENN GOLF Western Division Won Lost Pts.

York 4 0 8
New Oxford 3 0 6
Central Dauphin 3 1 6
William Penn 1 1 2
Northern 0 2 0
Cumberland Valley 0 3 0
John Harris 0 4 0

Monday's Scores
New Oxford, 8½; Central Dauphin, 6½.

York, 15; Cumberland Valley, 0. William Penn, 12; John Harris, 3.

Friday's Schedule
William Penn at Cumberland Valley.
Northern at John Harris.

New Oxford notched its third straight victory in the Western Division of the Central Pennsylvania Scholastic Golf League by edging Cumberland Valley 8½-6½ Monday afternoon on the Colonial Country Club course at Harrisburg.

Turning in victories for the Colonials, defending division champs, were Phil Bankert, Ken Laughman, and Ron Roland.

Coach Ed Moul's lads face their biggest test so far this season when they entertain York, 4-0, at Abbottstown Friday in a battle for the lead.

Summaries:
Phil Bankert, NO, defeated George Markley 3 and 2 (3-0).
Ken Laughman, NO, defeated Don Caum 8 and 6 (3-0).
Ron Roland, NO, defeated Tom Lingle 3 and 2 (2½-½).
Frank Kitzmiller, CD, defeated Dick Diehl 9 and 8 (3-0).
Lee Glick, CD, defeated Jerry Beamer 2 and 1 (3-0).

SAN FRANCISCO (AP) — A glowing, soundless bright object trailing a green tail streaked eastward over central California Monday night.

Most reports agreed it probably was a meteor which broke up toward the end of its flight. All observers reported it at 8:45 p.m. but from there the variations began, depending on who saw it, and where.

Nixon Hopes To Return To Majors

ROME, Ga. (AP) — "Give me six months or a year in the minors and I'll be okay," said veteran Boston Red Sox pitcher Willard Nixon Monday in reply to a report he has asked for an unconditional release.

"Somebody got me wrong," Nixon said of a story from Dallas, Tex., which quoted him as saying he was quitting because of an ailing shoulder.

He said he will report to the Sox at Houston, Tex., Wednesday with the expectation of being assigned to a farm club, perhaps Minneapolis of the American Assn.

Nixon has been with Boston since 1950. He was placed on the ailing list a year ago with bursitis in his right shoulder.

WITT FORCED FROM GAME BY ARM PAIN

By ED WILKS
Associated Press Sports Writer

Want a new line on Pittsburgh's long lamented chances for the National League pennant? Then forget those exhibition game line-scores and cock an ear for the medical report on George Witt's troublesome arm.

The young right-hander, a pitching sensation as a rookie last season when he shrugged off arm trouble and won seven straight for the longest string of the year in the NL, was sent on to Pittsburgh Monday night for an examination by the club physician.

The trouble centers in a painful elbow, which the freckle-faced redhead thinks was strained when he tried to develop a slider two years ago in the minors. The trouble popped up again Monday and Witt was forced from the mound after one inning as the Pirates finished their stay in Florida with a 2-1 victory over Kansas City at Fort Myers.

Giants Beat Tribe
In other games, the San Francisco Giants, figured to join the Bucs in the National League pennant pursuit, went 11 innings before beating Cleveland 8-6 on Don Taussig's home run. The Boston Red Sox belted the Chicago Cubs 11-3. The Detroit Tigers defeated the St. Louis Cardinals 7-2. The Chicago White Sox beat Washington 9-6. Spokane defeated the Los Angeles Dodgers 3-2 and Cincinnati smacked Savannah 12-2.

Harvey Haddix, Ron Blackburn and Fred Green took charge of the pitching after Witt's quick exit and kept the A's blanked until the ninth as the Pirates won their fourth in a row for a 15-12 spring record. Blackburn, working in his first game since returning from service, was the winner as Roman Majias squeezed in the winning run in the seventh inning.

Taussig's two-run shot off loser Hal Woodeshick was one of five home runs by the Giants at Topeka. Curt Barclay won it, after Minnie Mino's 10th-inning homer, his fourth hit, tied for the Tribe.

Cub Pitchers Socked
The Red Sox socked four Cub pitchers for 15 hits, handing Joe Scheffernoth the loss in a five-run fifth. Ike Delock won it, finally coming around with a two-hit, one-run job in his six innings at Corpus Christi.

Detroit picked on Card ace Larry Jackson for five runs in three innings at Lakeland, Fla. Frank Larry won it, giving up one run in his five innings.

Rookie Norm Cash hit a two-run homer in the fifth that brought the White Sox from behind, then counted two runs with a triple in the ninth at Charlotte. Turk Lown won it in relief of Early Wynn, who went seven.

TRY TO SETTLE TITLE BATTLE

INDIANAPOLIS (AP) — Promoter Cecil Rhodes Jr. returns here today hoping to tie together the loose ends after suddenly switching the May 1 heavyweight title bout between champion Floyd Patterson and England's Brian Lonsdale from Las Vegas to Indianapolis.

Rhodes, a Cranford, N.J., industrialist promoting his first fight, announced the switch in sites Monday, contending he wanted to escape rumors of gamblers' backing.

The new site of the fight, first title bout in Indiana boxing history, is the State Fairgrounds Coliseum which seats about 13,500.

Rhodes, a 34-year-old Harvard Law graduate, said there weren't any gamblers backing the Las Vegas, Nev fight but added: "I don't want that kind of implication."

In Las Vegas, civic leaders said the real reason was because "resort operators refused to give the financial support requested by the fight promoter."

Patterson is scheduled to arrive here late next week and train in the Coliseum. Lonsdale also is expected to arrive next week.

FISH GROUP SEEKS 9 NEW ACCESS AREAS

HARRISBURG (AP) — The Pennsylvania Fish Commission has approved a proposal authorizing negotiations for the purchase of nine new public access areas on four rivers and one lake.

The nine sites, on which the commission would build approaches to the waters for public use, are located on the Allegheny River at Franklin, Emmenton and President; at Lacyny on the north branch of the Susquehanna; at Goldsboro on the lower stretches of the Susquehanna; at West Fairview on the Conodognot, Cumberland County; at Beaver on the Ohio River; at Clarion on the Clarion River, and on Duck Harbor Lake in Wayne County.

William Voigt Jr., executive director, said the commission at its meeting Monday also served 11 more miles of Common wealth streams for exclusive fly fishing.

Voigt said the commission action in reserving more waters for fly fishing increased the total trout stream mileage for this type of fishing to approximately 81 miles. He said there were close to 5,000 miles of trout streams in Pennsylvania.

Added to present fly fishing territory were:

Approximately three-quarters of a mile of Green Springs Run, Cumberland County, above the present stretch and approximately 3 miles of Slate Run, Tioga County, above the present 8-mile stretch.

New designations for fly fishing were:

Clarks Creek, 2 and one-half miles in Dauphin County near Route 225, Lyman Run, 4 miles, Potter County upstream from Lyman Lake, and Spring Creek, three-quarters of a mile in Centre County in the vicinity of the fish commission's Benner Spring research station.

The areas reserved for fly fishing are subject to special regulations which are posted on each section.

KEGLERS OPEN TOURNAMENT

First round matches in the first Upper Adams Lanes eliminations tournament were held Saturday with Wilbur Sites rolling the high series with a 545 mark and Les Michener turning in the high single game with a 212.

Second round matches scheduled

REDS SAY U. S. OUT TO WRECK SUMMIT TALKS

By A. I. GOLDBERG
MOSCOW (AP)—The Soviet Union has charged that the United States deliberately violated altitude regulations in the West Berlin air corridor to wreck the forthcoming East-West talks.

The State Department withheld official comment, but U.S. informants in Washington said the United States had no such intention when it sent a C130 transport into West Berlin at 20,000 feet last week.

The U.S. Embassy in Moscow received the latest accusation in a diplomatic note. Meanwhile, U.S. officials in Germany turned down a Soviet complaint that the plane, which was buzzed by Soviet fighters, became a safety hazard when it flew into Berlin March 27. The Soviets claim Allied planes in the corridor are prohibited from going above 10,000 feet.

"Premeditated Violation"

The new Soviet protest said the Soviet government would not permit anything to hamper the foreign ministers conference opening in Geneva May 11 and "is doing everything to make these negotiations easier."

But the note said it was difficult "not to consider the premeditated violation by American aircraft of the established order of air communication with Berlin as other than the intention of the United States to worsen conditions for the foreign ministers' meeting, if not to wreck altogether the already reached agreement to hold East-West talks."

No Legal Ceiling

The U.S. position is that there is no legal ceiling in the Berlin air corridors and that planes can fly at any altitude desirable in ferrying supplies for the Allies.

The issue did not arise with older, propeller-driven planes which stayed below 10,000 feet. But the C130 is a turboprop aircraft which operates most efficiently at high altitudes. The United States, determined to establish its right to use any level

Fairfield

Mrs. Clarence Wilson
Times Reporter — Phone 6
FAIRFIELD — The Fairfield Area Homemakers' Group will meet at the home of Mrs. William Newman Thursday evening and on Thursday evening, April 16, at 7:30 o'clock. At these meetings mosaics will be made.

Mr. and Mrs. Harry Sease have moved from the Sheads apartment house to their new trailer home, Iron Springs.

Ronald Musselman, Lewistown, is visiting his grandparents, Mr. and Mrs. P. C. Musselman. Ronald's mother, Mrs. Robert Musselman, is visiting relatives in Florida.

Mrs. Joseph Harbaugh is visiting her son and daughter-in-law, Mr. and Mrs. Rodney Harbaugh, Levittown, N. J.

Mrs. Lester Sowers is visiting her son and daughter-in-law, Mr. and Mrs. Clyde Sowers, Pittsburgh.

Mr. and Mrs. Francis Rider are improving their home by covering the weather boards siding with asbestos shingles.

Mr. and Mrs. Clair Keefer and children, Andy and Sharon Jean, of Philadelphia, visited Mr. and Mrs. Harry McGlaughlin, Friday.

The Rev. and Mrs. Ralph Baker, Saegertown, visited Mr. and Mrs. Kermit Spence Wednesday. The Rev. Mr. Baker is a former pastor of Zion Lutheran Church here.

Due to the recurrence of narcolepsy, a sleeping ailment, to Mrs. Spence, Mr. and Mrs. Cloyd Spence and son, Jeffrey have moved from the Henderson apartment house to the home of Mr. and Mrs. Carl V. Kepner, Mt. Hope.

A card party sponsored by St. Mary's Church will be held in the high school cafeteria Monday evening, April 20.

In the corridor, reportedly plans to send additional high-level planes to and from West Berlin. The C130 could haul considerably more cargo than older planes if the Communists close land routes to West Berlin and the Allies try to supply their garrisons by air-lift.

Tune In WGET, 1450 On Your Dial

BRITAIN KEEPS SINGAPORE BASE

WELLINGTON, New Zealand (AP)—"Britain's base in Singapore is the pivot of Britain's military position in the Far East and we have not thought of altering that position," British Defense Minister Duncan Sandys said Monday.

Sandys, here for the annual meeting of the Southeast Asia Treaty Organization ministers, denied a report published in Australia that Britain would station anti-aircraft missiles with atomic warheads in Singapore.

"We are just now deploying anti-aircraft missiles in Britain with explosive warheads," he said. "We have no definite plans for deploying them outside Britain."

Sandys said Britain envisaged in the next five years or so a possible reduction in its land forces east of Suez and an increase of naval forces.

Harney

HARNEY — Recent guests of Mr. and Mrs. Harry Angell included Mrs. Austa Perrine and Daniel Lenker, of Millersburg, and Mr. and Mrs. Virgil Peck, of Everett.

Maurice Fox and Mr. and Mrs. George Overholtzer and children, of Kensington, Md., were recent visitors of Mr. and Mrs. Melvin Overholtzer Sr.

Miss Doris Oyler and Miss Susan Minister, of Ohio, were recent guests of Mr. and Mrs. Elmer LeGore and Mrs. Ida Strickhouser.

Three Nations Open Ministerial Council

NICOSIA, Cyprus (AP)—Britain Monday joined Greek and Turkish Cypriot leaders in opening the inaugural meeting of the Cyprus Ministerial Council with bright predictions for the future of this island soon to become a republic.

Gov. Sir Hugh Foot, Archbishop Makarios, leader of the Greek Cypriots, and Dr. Fazil Kutchuk, the Turkish Cypriot leader, hailed the future of the Mediterranean island.

The Union Jack, Greek and Turkish flags fluttered above the former public information building which now is the home of the new council. The group will be the local government of Cyprus until the republic is formed.

Only a small crowd was on hand to cheer the ministers as they arrived.

HONOR WOMEN AT LUNCHEON

HARRISBURG (AP) — Women holding policy-making positions in state government were honored Saturday at an annual luncheon of the Pennsylvania Federation of Business and Professional Women's Clubs.

Sen. Margaret Chase Smith (R-Maine) told the group that because public officials sometimes have information the public does not have, "there are times when a public official has to lead public opinion rather than be led by what he conceives to be public opinion."

She told some 600 women attending the luncheon that free public opinion "has given us a sufficiently efficient government to make our country the greatest place on earth to live."

Women honored at the event included Genevieve Blatt, internal affairs secretary; Ruth Grigg Horting, public welfare secretary; Anne X. Alpern, attorney general, and members of the General Assembly.

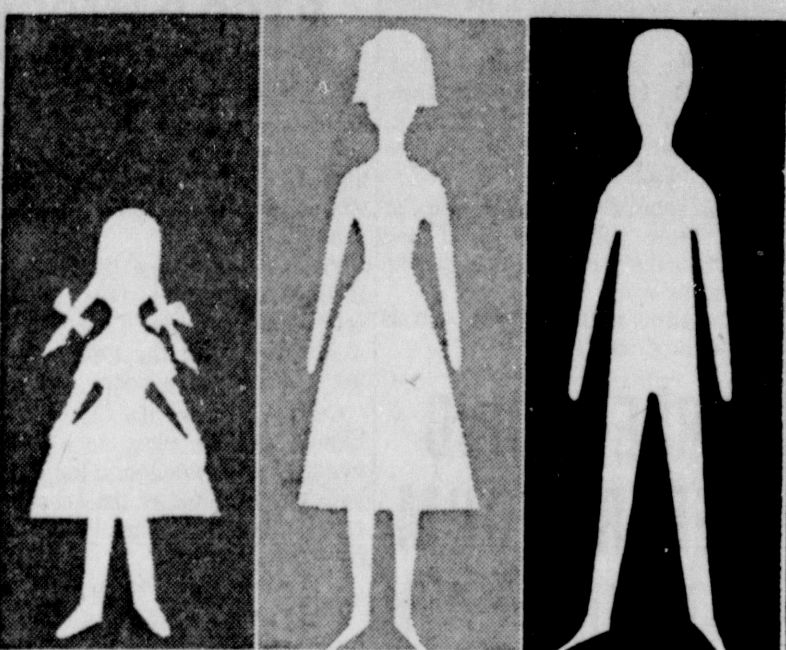

Rain On Wedding Day Is Forecast

TOKYO (AP) — The weatherman came up with some bad news today for Crown Prince Akihito. "Cloudy and occasional rain" is the forecast for April 10, the date of the prince's wedding to Michiko Shoda.

Even showers aren't expected to dampen the public gaiety for the biggest social event in Japan since Akihito's parents were wed 33 years ago. More than a million persons probably will jam the five-mile route along which the couple will be driven after the ceremony.

Police issued special rules for the giant crowd in an attempt to preserve some sort of decorum. Firecrackers are banned and so are loud music, throwing of streamers, balloons and bouquets, flash bulbs for pictures and jumping into the street.

BEIRUT, Lebanon (AP) — Six Arab League foreign ministers went into secret session Monday in an effort to reach a unanimous decision on whether communism in Iraq is a danger to the Arab world.

The ministers went into the informal meeting on the heels of reiterated denunciations of the Iraqi regime by Farid Zemedine, chief delegate of the United Arab Republic. He repeatedly declared ceremony.

Police issued special rules for the giant crowd in an attempt to preserve some sort of decorum. Firecrackers are banned and so are loud music, throwing of streamers, balloons and bouquets, flash bulbs for pictures and jumping into the street.

Says Fathers Are Better Mothers!

TALLAHASSEE, Fla. (AP) — A University of Wisconsin psychologist has confirmed what most men suspected all along: That fathers make better mothers than the mothers do.

Dr. Harry F. Harlow told a Florida State University audience that it's entirely possible the woman may be replaced at home by the man.

Said Harlow: "The American male is physically endowed with vertising for its entertainment to night 'Three daring exotics and election returns every hour.'

Oklahoma votes today on whether to repeal constitutional prohibition.

all the really essential equipment to compete with the American female on equal terms with the rearing of infants."

Buenos Aires is growing so rapidly that young men planning to marry are jokingly advised "First find an apartment; then look for the girl."

How To Hold FALSE TEETH More Firmly in Place

Do your false teeth annoy and embarrass by slipping, dropping or wobbling when you eat, laugh or talk? Just sprinkle a little **FASTTEETH** on your plates. This alkaline (non-acid) powder holds false teeth more firmly and more comfortably. No gummy, gooey, pasty taste or feeling. Does not sour. Checks "plate odor" (denture breath). Get **FASTTEETH** today at any drug counter.

WORLD ON WHEELS

By FLOYD CLYMER

U.S. CAR EXPORTS IN BAD SLUMP — While the "Big Three" are importing cars manufactured in Europe for sale by our dealers, sales of U.S.-built cars have declined sharply in most export markets in recent months.

For the first quarter of 1959 export shipments of U.S. cars are off approximately 24 per cent. It is anticipated that the 100,000 export sales for the year 1959 will be approximately one-third below the best post-war year — which was 152,925 sales of U.S. cars in 1950.

Possibly the foreign buyers are waiting for shorter wheelbase cars to be produced by U.S. manufacturers some time this fall.

as cost of fuel is very high in most foreign lands.

Even though thousands of imported cars are sold in this country, only a very small percentage of production of U.S. cars can be sold in foreign markets. In most foreign countries there are import restrictions that seriously handicap, and in some instances almost prohibit, the sale of U.S. cars. Some manufacturers have assembly plants in foreign countries, especially in ones where a high percentage of labor in assembling the cars must be done by citizens of that country.

Motorcycle Situation — Reflected in a much smaller degree is the motorcycle situa-

tion. While thousands of motorcycles are imported to the United States, mostly from Great Britain, it requires a special permit to ship any American-built Harley Davidson to countries like New Zealand, Australia and the British Government refused permits for any U.S. motorcycle imports. Only last year they let down the bars and did issue a permit for fifty new Harley Davidsons to be shipped to England in 1958.

Only recently the British Treasury announced that their citizens traveling abroad could take with them a maximum of 20 pounds (\$56.00) in sterling notes. They further specified that this money could be spent only on British-owned aircraft or ships.

Some day we ought to have enough businessmen in Washington to straighten out this inequitable situation. We send billions of dollars to foreign countries and usually find red tape and restrictions that prohibit us from sending the identical type of merchandise to us.

Constant Research — **THE EXHAUST SYSTEM** — Constant research is going on in the engineering departments of all factories for improvement of not only mufflers, but the entire exhaust system. With higher speed and more powerful engines in U.S. trucks and passenger cars, exhaust system design becomes an important factor, but as to silencing and life expectancy of mufflers.

Too many owners neglect care of the exhaust system, probably because the entire system is out of sight, and especially the mufflers, which are mounted under the body. Corrosion from internal condensation of exhaust gases tends to shorten the life of the best type of muffler. Thirty-nine new different muffler metals and coatings, are now being tested by one muffler manufacturer.

THE DRIVER'S SEAT

An automobile is built and driven by human hands. As such, it can fail — like the humans that put it together and control it.

In this automobile era we are too quickly inclined to accept the

Stainless steel would be preferable, but cost is almost prohibitive.

A few short years ago mufflers actually were nothing more than a round piece of galvanized metal, and pioneer drivers will recall how easily these mufflers would blow out.

Some manufacturers are now considering re-locating the mufflers and placing them in front of the body. The advantage would be short connections from each 4-cylinder bank of a V8 engine. This would require no lengthy tail pipe. With this short pipe on each bank the muffler could be located into the slipstream of the car. The muffler would be a short stub probably mounted beneath the front fender, either in a vertical or slightly inclined position. This would be not only a saving of cost for the manufacturer but it would eliminate long pipes to the muffler and the tail pipes which have always been troublesome. Also, the possibility of dangerous exhaust fumes entering the passenger compartment would be reduced.

Car Imports Increase — **INCREASE IN U.S. IMPORTED CAR OUTLETS** — On January 1, 1958 imported cars were sold by 11,400 dealers as against 14,598 on January 1, 1959.

Due to the fact that most U.S. makers are importing cars, the number of dealers handling the imports is increasing monthly. Approximately 80 per cent of the imported cars are sold through dealers handling more than one make of car, and less than 800 dealers are handling imports exclusively.

Even though Volkswagen is the top selling import, it is interesting to note that they have only 374 dealers in the United States, whereas the second best selling car, Renault of France, has a total of 737 dealers, and Peugeot, usually sold in conjunction with Renault, has 487 dealers.

The German Opel has the amazing number of 3,215 dealers, and this high number is due to the fact that most Buick dealers sell Opel. Metropolitan has 1,571 dealers and is sold by most Buick dealers, although it is sold by some dealers not handling Buick.

Vauxhall, distributed by Pontiac, has a total of 2,721 outlets. Surprising are some other figures, which include 628 dealers handling the British Ford (90 handle the Taunus, built by Ford in Germany); 703 handling Hillman; 450 handling Jaguar; and only 49 handling Rolls Royce. There are 600 dealers now handling Chrysler's Simca line.

YELLOW CABS ARE HALTED BY DISPUTE

PITTSBURGH (AP) — Yellow Cab Co. service in Pittsburgh was halted today for the first time in 11 years in a labor dispute.

Taxi service in the Pittsburgh area also is provided by Peoples Cab Co. and a number of smaller firms in suburban communities.

Yellow Cab suspended service at 1 a.m., after Mechanics Local 1060 voted 24-8 to reject a two-year wage offer and set up picket lines.

Drivers To Meet

Taxi Drivers Local 128 planned a meeting of its 1,000 drivers to decide whether to honor the mechanics' picket lines. The drivers also had been scheduled to strike Monday night, but they agreed over the weekend to extend the deadline until Thursday while studying a last-minute company proposal.

Yellow's bus and sedan service to Greater Pittsburgh Airport was not affected. The Airlines Transportation Service transferred its

motorcar as something that comes to us with built-in perpetual motion and will keep running forever, even without attention.

It is always a little sad to see the stricken look on the stranded motorist's face when the moment of truth arrives in the form of an engine that won't work or a headlight that won't shine.

Unfortunately, this moment of truth does not always come at a propitious time. Too often its timing occurs when the failure leads to an accident.

Check Car Constantly

One of the most active groups currently telling the American motorist that a car must be checked constantly is the Inter-Industry Highway Safety Committee.

This non-profit organization is made up of representatives of car manufacturers and allied industries. It is currently seeking to have laws passed in those 31 states that do not now provide for compulsory, periodic motor vehicle inspection.

A recent survey in several states that have compulsory inspection showed that anywhere from 3 to 33 per cent of all accidents result from mechanical failures. The committee found that one out of every five vehicles inspected needed safety attention, and the most frequent flaw is rear lights. Brakes are next on the list.

A spokesman for the committee says that the number of fatalities per mile traveled in states that compel owners to have their cars checked is lower than in states that do not.

We wish the committee every success in getting this safety legislation passed in the 31 states. At the same time, it should be observed that no motorist should have to be told to inspect brakes, lights, windshield wipers, tires and turn signals before he uses his car, any more than he should have to be told to duck in the face of certain danger.

base of operations from the Yellow garage downtown to the airport. Its drivers and mechanics are under separate contract.

Can't Meet Demands

James Sennott, company president, said he could not meet the mechanics' demand for a wage increase of 10-cents hourly for each year of a two-year pact.

The best the company could offer, he said was six cents the first year and five cents the second year, plus an increase in insurance and pension benefits. Base pay for mechanics under the old contract was \$2.30 an hour.

The drivers are studying an offer to eliminate an original company proposal that they purchase their own cabs. An undisclosed wage increase would be substituted instead, according to the company.

OPEN NICHOLAS DEFENSE CASE

INDIANAPOLIS (AP) — The defense gets its chance today to rip down the state's portrait of Minnie B. (Connie) Nicholas as the calculating murderess of her wealthy businessman lover.

By testimony of a half dozen witnesses—including the 44-year-old defendant herself — the divorcee's lawyers hope to prove she shot drug executive Forrest Teel in self defense during a struggle in his car last July 31.

"Connie will tell her full story herself," said Charles W. Symmes, one of three defense attorneys. "She will give all the background about the whole affair."

The "whole affair" covers a 15 year backstreet love match between the vivacious Mrs. Nicholas and the 34-year-old Teel. A married man with an adopted son, he was an executive vice president of the huge Eli Lilly & Co. pharmaceutical firm.

SANTA ROSA, Calif. (AP) — Trade was brisk Monday at the First Congregational church rummage sale in a building belonging to the Silver Dollar restaurant.

In all the bustle an idle six-burner gas range which belonged to the restaurant was sold, no one knows to whom.

Church and restaurant officials couldn't immediately find the buyer, who happily removed it promptly after the purchase.

He paid \$2.

LORD NELSON ADDICTED TO SEASICKNESS

NEW YORK (AP) — Things a columnist might never know if he didn't open his mail:

Lord Nelson, Britain's greatest naval hero, had an unusual occupational ailment—seasickness! He suffered from the malady throughout his extraordinary career.

Crime never pays, but it always costs. It exacts a 20-billion-dollar annual toll in the United States, or between \$400 and \$500 for every family.

Dieters, take a tip from the sloth. This slow-motion animal takes so long to eat that before it has finished a meal, it is late for the next one.

More Lady Voters
This is no justification for speed demons, but did you know that in most car accidents the vehicles are traveling at less than 50 m.p.h.?

Presidential candidates in the 1960 campaign will have to take extra care to please the ladies. Experts figure up to three million more women than men will vote.

Old but always good: actor Walter Slezak's favorite joke is the one about the scientist who invented a chemical that dissolved anything. Then he went crazy trying to invent something to keep it in!

How Long Per Car?
How long do you keep a car? The average automobile in this country is now traded in after 27 months.

A recent study indicated 62 per cent of American households do their laundry once a week, 28 per cent more than once a week, and 5 per cent every two weeks. Guess the remaining 4 per cent just enjoy being dirty.

The right to know: the world now has 7,520 daily newspapers and should be better informed than at any time in its history.

Prisoner Smiles Getting Life Term

FORT COLLINS, Colo. (AP) — Floyd Robertson smiled when a district court jury convicted him Sunday of first-degree murder and fixed his punishment at life in prison.

Under state law, the 25-year-old father of three children, who admitted killing a pretty secretary may be eligible for parole in 10 years.

Robertson was accused of abducting, assaulting and slaying Marjorie Schneider, 18, in a mountain canyon West of here last September 7. He pleaded innocent and innocent by reason of insanity.

In a signed statement he admitted he kidnapped Miss Schneider from her party of three companions in a lovers' lane. He said, "I guess I just couldn't stand to see someone else have a good time."

The jury of nine men and three women deliberated 14 hours before returning the verdict.

FOUR YOUTHS LOST IN CAVE

UNIONTOWN, Pa. (AP) — Four Greene County youths spent a harrowing 16½ hours in Dulaney's Cave before a search party found them early Monday.

Except for being cold, they were otherwise unharmed.

The four became separated from Bill Snodgrass, 18, and Tom Roberts, 19, both of Waynesburg, about three hours after entering the cave Sunday afternoon.

Snodgrass and Roberts came out about 6 p.m. and alerted state police and volunteer firemen from Hopwood.

The search party found John Case, 17, Larry Dukate, 17, and Charles Kenny, 18, all of Waynesburg, and Jim Hoyer, 18, of Spraggtown, in a dead-end section of the mile-long cave.

State police said the boys told

DEMS COUNCIL DEMANDS MORE U. S. SPENDING

WASHINGTON (AP) — The Democratic Advisory Council proposes that Democratic leaders in Congress ignore President Eisenhower's economy drive and get busy with a spending program to boost the nation's economy.

"The Democratic party does not believe in spending for its own sake but we know that a nation which is doing too little is not spending too much," the council said Sunday.

Among other things, the advisory group advocated more aid to the unemployed and more aid to housing, slum clearance, school construction and economically distressed areas.

"GOP Indifference"
"Once more we are witnessing callous Republican indifference to the suffering and needs of people who, through no fault of their own, are unable to obtain jobs," the council said.

The 27-member group includes former President Truman, Adlai Stevenson and Democratic National Chairman Paul Butler.

Although the council statement didn't mention names, it clearly was an appeal to the party's congressional leaders, Sen. Lyndon B. Johnson and House Speaker Sam Rayburn, both Texas Democrats, to speed action on economic aid legislation when Congress returns from its Easter recess.

Tax Cut Delayed
Meanwhile, a private study of federal budget prospects indicated that it may be five years before the government has a surplus large enough to permit a significant tax cut.

Even if rigid economy is enforced, the report suggested, government costs will climb steadily from 1960 through 1968. However, it said that federal revenues may begin to exceed spending by 1962 if full employment is achieved and maintained.

The report was prepared by Dr. Otto Eckstein, a Harvard economist, for the Committee for Economic Development, a privately supported research organization of businessmen and educators.

TOY KILLS BOY
FORT LAUDERDALE, Fla. (AP) — Twelve-year-old Richard Allen Wilson had something any boy would give his eye teeth to own—a home-made, lawn-mower-powered midget car and a paved circular track in a vacant lot to race it on.

Sunday, as his father watched, Richard's little car spun off the track at 35 miles an hour and hit the Wilson's parked truck.

Richard was killed.

Vienna, home for one-quarter of Austria's population, is now planning to build a subway system to relieve transportation difficulties.

them they started walking in circles and finally decided to halt and await help in a section known as the "Post Office."

The cave, located 20 miles east of Uniontown, consists of narrow passages and underground streams.

\$4,526 Found Sewn In Captain's Jacket

YONKERS, N.Y. (AP) — An old field jacket given to the Salvation Army was well padded.

A Salvation Army worker packing it in a bundle of clothes thought it felt a little bulky. She explored the lining and uncovered \$4,526 in bills, neatly sewn inside.

The jacket had belonged to a retired police captain, James F. Cashin, who was 72 when he died last February. The money was turned over to his estate.

Cashin's brother-in-law, James Ross, who gave the jacket to the Salvation Army, said Cashin was on the thrifty side.

PRESS FRETS OVER MONTY'S VISIT TO REDS

LONDON (AP) — British newspapers of all three political callings worried today about the effect on East-West peace talks of words from one of their own generals.

After several days of complaining that various top U.S. military figures by their pronouncements were endangering the coming negotiations with Moscow, British papers were in a dither about Field Marshal Viscount Montgomery's self-invited visit to Moscow later this month.

"Monty!" boomed the Conservative Daily Sketch in front-page letters two inches high, "Fade Away!"

The Laborite Daily Herald said there is a chance in a million that Britain's former top soldier might do some good, but that chances are more than one in a million that he might "do harm—terrible harm."

The Liberal News Chronicle also thought the trip a mistake, saying Montgomery "is an unpredictable figure and he has publicly chosen an inopportune moment."

Montgomery, now 71, announced Saturday he had asked Soviet Premier Nikita Khrushchev if Montgomery could come to Moscow to talk over the East-West conflict and that Khrushchev had assured him he would be welcome. Montgomery said he would leave April 28 and return by May 1.

**Present Home To
Parents Of Triplets**
NEW YORK (AP) — Mr. and Mrs. Frank Petraglia have a brand new eight-room house in the Bronx, built for them by the community.

Various organizations and individuals in the Throgs Neck section took part in the volunteer effort over a two-year period. The keys to the house were presented Sunday.

The house is designed to help the parents care for their six-year-old triplets, who have been blind since birth.

AMERICANS MAY NOT GET ENOUGH NEWS

NEW YORK (AP) — Americans may not be getting all the information they need in these crucial times, according to a majority of a television panel of experts on the subject.

The five panelists, including presidential Press Secretary James C. Hagerty, appeared Sunday on the Columbia Broadcasting System's "The Great Challenge."

They were asked if the public is getting the information it needs. Only one panelist—a newspaper publisher—answered with a definite "yes."

Hagerty, the source of much of the information coming out of the administration, drew a chuckle from the audience in the auditorium when he answered: "I hope so, but I'm not sure."

He acknowledged that some government officials tend to be "stamp happy and put confidential or top secret on documents that should not be." He added that "as far as the White House is concerned, I honestly try, under the directive of the President, to get out as much information as we can on the dealings of the government of the United States."

Hagerty said the directive from

President Eisenhower he referred to is one he follows in releasing defense information to the press. He said it goes like this: "If it does not deal with the security of the United States, and if it does not deal with related problems of the military, or intelligence, or some of our diplomatic exchanges, he believes this should be public information."

The panelist who believes Americans are getting enough news was Charles A. Sprague, publisher of the Salem, Ore., Statesman and former governor of Oregon.

"The quantity is there," he said, and "our newsgatherers and handlers are more competent and more fair than ever before in handling of the news."

He agreed, however, that there is a need for better trained reporters and editors, to make complex subjects more understandable.

Applying with Hagerty and Sprague were James Reston, Washington correspondent of the New York Times; Robert D. Swezey, executive vice president and general manager of WDSU Broadcasting Corp. in New Orleans; and Arthur H. Schlesinger Jr., Harvard history professor. Eric Sevareid of CBS was moderator.

Many Complaints
Reston said there are a great many complaints from editors, scientists, and members of Congress about withholding of news by the government.

Schlesinger said that he thinks

MORE MISSILES, PLANES NEEDED

WASHINGTON (AP) — The chief of America's strategic bomber fleet contends plane and missile production must be boosted if the United States is to maintain the power to deter the Soviet Union from war.

"We have the deterrent posture today. We can lose it tomorrow,"

the risk an American newsman uns of losing his passport by going to Red China is an unnecessary obstacle to news. He added he also believes there are unnecessary obstacles in getting information on nuclear fallout and th detection of atomic tests.

Swezey said there is insufficient information on defense budgets and complained about contradictory statements from different areas of government concerning the missile lag.

Gen. Thomas S. Power told a House Appropriations subcommittee in a closed-door hearing Feb. 13. A heavily censored transcript of his remarks was made public Sunday.

Power, head of the Strategic Air Command, called for faster and greater production of B52 and B58 manned jet bombers and Atlas intercontinental ballistic missiles.

Asked how important he viewed his recommendations, Power replied:

"I think you are just risking the whole country. That is how important I feel it is. If you do not deter (the Soviets) nobody is going to win a thermonuclear war."

What's OLDS got
that makes it sell so well?

Here are the reasons why!

- **DEMONSTRATED ENGINEERING LEADERSHIP!** Wherever you look on a '59 Olds, you see the result of advanced planning and thinking . . . the latest in mechanical features and applications. If it really makes for better driving, you'll find it first on an Oldsmobile!
- **PROVEN REPUTATION FOR QUALITY!** Olds owners know from personal experience that their Oldsmobile will deliver long-lasting pleasure and performance because it's built right . . . right from the start!
- **DISTINCTIVE OLDSMOBILE STYLING!** There's no other car on the road that has the rich smartness, the unique two-toning, the crisp beauty of line that sets Olds apart from the ordinary wherever it's seen!
- **COSTS LESS THAN MANY GUESS!** An Oldsmobile does look expensive. In fact, many guess an Oldsmobile costs much more than it actually does . . . but you'll find there's a Rocket to fit most every pocket!
- **ROCKET ENGINE PERFORMANCE!** The favorite feature of Olds owners is the lively, spirited action they get from the remarkable Rocket Engine . . . it's so quiet, responsive, reliable!
- **ECONOMICAL OPERATION AND MAINTENANCE!** Because it's a quality-built car to begin with, owners report that their Oldsmobiles cost less to operate in the long run than other cars in its price class! And there's excellent fuel economy, too!
- **TRADITIONALLY HIGH RESALE VALUE!** Official used car figures show that Olds value holds . . . brings a higher percentage of its original cost at trade-in time . . . gives more for your money while you own it!

See why your investment holds when you go over to Olds . . .

PAVING TEST FOR SOFT COAL GAINS BACKING

HARRISBURG (AP) — Bipartisan House backing was promised today for a proposed \$500,000 test of a new road paving material using soft coal. The material was developed by the Curtiss-Wright Corp.

Roy T. Hurley, chairman and president of the giant corporation, proposed Monday night that the Commonwealth and the company join in a program of testing the product under actual road conditions.

Reps. Stephen McCann and Albert W. Johnson, House Democratic and Republican floor leaders respectively, said they would sponsor legislation setting aside highway funds for the project.

Reserves Comment

Hurley proposed paving of 12 half-mile sections of state road with the new material. He said the substance is competitive price-wise and performs better than other road-paving materials in laboratory studies.

Secretary Park H. Martin reserved comment on the paving material, but said that if it used large quantities of coal it should be looked into.

Hurley said a road made of the material would use 2,000 tons of soft coal per mile of two-lane highway. Anthracite also may be a possible ingredient, he added.

The material employs an agent

Johnson Explains Attitude Toward Ike

AUSTIN, Tex. (AP) — Senate Majority Leader Lyndon B. Johnson (D-Tex.) said Monday he would help the President "so long as it helps the strength of America."

Sens. Wayne Morse (D-Ore.), William Proxmire, (D-Wis.) and Pat McNamara (D-Mich.) have criticized Johnson for what they called his one-man rule in the Senate and his too-friendly relations with the Republican administration.

"I shall always respect the office (of president) and I shall respect the man in it, whoever he may be, Democrat or Republican," Johnson told a joint session of the Texas Legislature.

WHILE THERE'S LIFE
CANON CITY, Colo. (AP) — Hope springs eternally for those within prison walls.

Warden Harry Tinsley says Colorado Penitentiary convicts have swamped special classes at the institution. The studies deal with self-improvement.

which Hurley said "digests" the coal. He refused to disclose the nature of the bonding agent.

"We'll keep it under company security for the time being," he said.

Bituminous has been the only coal used extensively in tests so far, Hurley said. He added that the product can use low-grade coal as well as high-grade.

The material, Hurley said, can be used in a wide variety of products, such as tar paper, auto undercoating or sewer pipe. He said the company has experimented with it as a waterproof bonding agent to make building blocks.

Cooked Fine Dinner; Threw it TO DOG!

One Gettysburg lady said she used to throw her own dinner to the dog most of the time. She dreaded the sight of food. She was afraid of the miseries of stomach gas. Finally she got SYS-TONE and says she enjoys everything in sight. She now eats her meals once more and feels like "some other woman."

SYS-TONE is bringing relief to gas victims all over Gettysburg. Contains medical herbs that work WITH YOUR FOOD to expel gas. Many gas-filled, miserable people soon feel like new. So don't go on suffering. Get Sys-Tone—Peoples Drug Store. Also sold by all drug stores in Gettysburg and nearby towns.
